KNICKS GO LEADS ECLIPSE AWARD FINALISTS

By BloodHorse Staff

The National Thoroughbred Racing Association, Daily Racing Form, and the National Turf Writers and Broadcasters announced Jan. 15 the finalists for the 2021 Eclipse Awards, recognizing excellence in Thoroughbred racing.

Winners in 17 horse and human categories will be announced on TVG, and other outlets, during the 51st annual Eclipse Awards Feb. 10 at 8 p.m. ET in dinner and ceremony at Santa Anita Park. The evening will culminate with the announcement of the 2021 Horse of the Year.

Korea Racing Authority's Knicks Go, winner of the Longines Breeder's Cup Classic (G1), is expected to win the award.

Of the 245 eligible voters represented by

the NTRA, consisting of member racetrack racing officials and Equibase field personnel, the NTWAB, and Daily Racing Form, 235 (95.9%) took part in the voting. Finalists were determined in

each category by voters' top three selections, using a 10-5-1 point basis. Eclipse Award winners are determined solely by first-place votes.

Some notable grade 1-winning horses that were not chosen as finalists include Search Results in the 3-year-old filly category, Smooth Like Strait and Colonel Liam in the male turf horse division, and Althiqa in the female turf horse category.

Luis Saez was not among the finalists among jockeys after ranking third by earnings and victories in North America in 2021. He was fourth behind the three finalists by graded stakes victories.

Voting is expected to be close in at least several divisions, including in the 3-year-old male category, a group led by Godolphin's Essential Quality and the late Medina Spirit, owned by Zedan Racing Stables. They were third and second, respectively, in the Breeders' Cup Classic.

(continued on page 5)

HANCOCK'S LAW

The late 'Bull' Hancock of Claiborne Farm was one of the most successful of all stallion selectors; he laid down five criteria for selecting a stallion. Hancock insisted that a potential stallion should satisfy all criteria:

1

He must have shown good form as a 2YO.

Won the **Champagne Stakes-Gr.1** by 4 lengths (previous winners include Coolmore America's outstanding sires **Scat Daddy**, **Uncle Mo** and **Practical Joke**).

2

He must have demonstrated his ability to stay 1¼ miles as a 3YO.

Won the **Travers Stakes-Gr.1** by 5½ lengths (fifth fastest time ever, faster than top sires **Bernardini**, **Medaglia d'Oro** etc.) and runner-up in the **Kentucky Derby-Gr.1**, both over 10f.

He also won the **Belmont Stakes-Gr.1** (9f.) by 3¾ lengths and **Florida Derby-Gr.1** (9f.) by 4¼ lengths (leading sires to win it include **Scat Daddy**, **Quality Road**, **Constitution** and **Nyquist**).

3

He must be sound.

9 runs at 2 and 3 years, 6 wins, once second, once third.

6 runs in Gr.1s, 4 very impressive wins and once second.

4

He must look masculine. ►

Come and see him for yourself.

5

He must have the right kind of pedigree.

A better racehorse than his leading young sire **Constitution** (by **Tapit**).

His dam Tizfiz (by **Tiznow**)

won the **San Geronimo H.-Gr.2**

at Santa Anita and is a full-sister to Fury Kapcori

(Gr.3 winner & runner-up in the CashCall Futurity-Gr.1).

Medina Spirit's post-race positive test for betamethasone after winning the May 1 Kentucky Derby Presented by Woodford Reserve (G1) at Churchill Downs could impact his Eclipse support. Kentucky stewards have yet to hold a hearing.

China Horse Club and WinStar Farm's Life Is Good, a blowout winner of the Big Ass Fans Breeders' Cup Dirt Mile (G1), will also likely garner votes after also twice defeating Medina Spirit in early 2021.

In addition to honoring the 17 winners in the horse and human categories, Justin Mustari will receive the Eclipse Award as the 2021 Horseplayer of the Year. Members of the media will be honored for outstanding coverage in six categories, with BloodHorse's Eric Mitchell among those recognized.

OLD-TIMER RATED R SUPERSTAR TAKES FIFTH SEASON

By Bob Ehalt

[@BobEhalt](#)

Many multiple graded stakes winners have already bid adieu to the racetrack not long after their 4-year-old or 5-year-old seasons.

But at the tender age of 9, Rated R Superstar is still thriving in stakes company and, like a fine wine, might actually be better than ever at an advanced age for trainer Federico Villafranco.

The old-timer, winner of the 2016 Carry Back Stakes (G3) and 2018 Ben Ali Stakes (G3), taught a group of youngsters a thing or two about respecting their elders as he benefited from an inside trip and scored a 25-1 upset in the \$150,000 Fifth Season Stakes Jan. 15 at Oaklawn Park.

"Just because they are 8 or 9 doesn't mean they can't run," said winning owner Danny Caldwell. "They're old, hard-knocking horses and they know their job. They go out and try hard every day."

While the mile Fifth Season turned out to be a huge disappointment for 3-2 favorite Concert Tour, who was last of nine in his first start in eight months, Rated R Superstar started his 9-year-old campaign with a flourish after a four-month layoff.

"We gave him a break and he was fresh. Freddy's done a great job of getting him back," Caldwell said. "I was thinking of running him in an allowance race but Freddy said he's doing as good as he's ever done in our barn. I said let's give him a shot (in the Fifth Season)."

Caldwell and Villafranco claimed the Kodiak Kowboy gelding for \$50,000 last January at Oaklawn Park and were rewarded with a second in the \$500,000 Essex Handicap at Oaklawn and a win in the \$175,000 Governor's Cup Stakes at Remington Park. Prior to Saturday, he had posted two wins, three seconds, and a third in eight starts for them.

Breaking from post 2 Saturday, jockey David Cabrera wisely saved ground after Rated R Superstar broke sluggishly and was eighth after an opening quarter of a mile in :23.33.

Meanwhile, the stretching-out sprinter Mucho darted out for the lead, chased by the two favorites, 5-2 Thomas Shelby and Concert Tour.

Gary and Mary West's Concert Tour, making his first start for trainer Brad Cox after not racing since outrun in the 2021 Preakness Stakes (G1) for trainer Bob Baffert,

stalked three-wide on the backstretch. He came up empty on the turn and retreated to lose by 15 lengths.

"He hadn't run for a little while," jockey Joel Rosario said. "He was there for a little while and looked like he lost a little focus the last part of the race. We'll see how he comes back the next time."

That left Thomas Shelby to take up the chase, but he was unable to reel in grade 1-placed Mucho.

Behind them, Rated R Superstar and Cabrera came off the rail to tip three-wide on the turn and draw within about a half-length of the leader at the eighth pole and then edged away late by a neck.

The winner was timed in 1:37.16 on the fast track and paid \$53.80 to win as the second-longest price on the toteboard

WSS Racing and 4 G Racing's Mucho, a son of Blame trained by John Ortiz, finished a half-length ahead of M and M Racing's Thomas Shelby, a Curlin gelding trained by Robertino Diodoro.

"He ran a winning race. To run second, it's heartbreaking," Ortiz said of Mucho.

Bred by Thorndale Stable in Kentucky, Rated R Superstar is the sixth of 11 foals from the Gold Case mare Wicked Wish, who has produced seven winners, with Rated R Superstar the one stakes victor. Wicked Wish's most recent foal is a yearling Bolt d'Oro colt and she was bred to Dialed In for 2022.

Rated R Superstar posted his 10th win in 57 starts and pushed his earnings to \$1,271,014.

Caldwell said the Feb. 12 Razorback Handicap (G3) at Oaklawn could be next.

"We're looking at the Razorback," Caldwell said. "That's what we're hoping for. If he tells us he's ready for the race, we'll be there." **BH**

MARKHAMIAN, OUTFOXED CAPTURE STAKES AT TAMPA

By Christine Oser and Byron King

Showing speed and tenacity, Markhamian fell back to third approaching the stretch after pressing the early pace in the \$125,000 Pasco Stakes Jan. 15 at Tampa Bay Downs, only to prove resurgent down the lane to defeat race favorites Provocateur and Cattin.

The 3-year-old son of Social Inclusion responded tenaciously in the final sixteenth of a mile under Marcos Meneses to notch a 2 1/2-length victory over Provocateur, who had gained the upper hand from a stalking position by midstretch. The 8-5 choice Cattin, winner of the Inaugural Stakes at Tampa last month, was a length back in third.

Markhamian (\$12.60) raced seven furlongs on a fast track in 1:23.23 after pushing splits of :22.22 and :44.86 set by eventual fourth-place finisher Magical Mousse.

Juan Carlos Avila trains the winner for Sergio Ripamonti's Santa Rosa Racing Stables. Markhamian made \$105,000 Saturday, pushing his record to 2-1-0 in three starts with earnings of \$146,250. He had previously won a 6 1/2-furlong maiden race Dec. 19 by 4 1/2 lengths at Gulfstream Park after a debut second there Sept. 25.

"This horse did everything perfect today," Meneses said. "The fractions were a little fast, but I knew I had the horse in the last furlong."

Bred in Florida by Ripamonti, Markhamian is out of the Colonel John mare Peruvian Jane. Four of the dam's five foals have raced, with three winning and Markhamian becoming her first stakes winner. She has a yearling filly by The Big Beast and was bred to Adios Charlie for 2022.

Markhamian is the first stakes winner for Social Inclusion, who stands this year for an advertised fee of \$5,000 at Diamond B Farm in Pennsylvania.

"I thought he might be done on the turn, but this horse has a lot of (guts)," Ripamonti said of his colt. "Marcos did a good job urging him, and he had the heart to get it done. It was a courageous effort and he drew away at the end."

"He was coming into the race fantastic; he was in great shape and his color and skin tone were good. He was super-ready."

The next leg in Tampa's 3-year-old stakes series is the \$250,000 Sam F. Davis Stakes (G3) going 1 1/16 miles Feb. 12.

A race later, LNJ Foxwoods' Outfoxed captured her third straight stakes victory in Florida, this time defeating open company in the \$125,000 Gasparilla Stakes.

(continued on page 10)

MARKHAMIAN, OUTFOXED CAPTURE STAKES AT TAMPA

(continued from page 9)

The Valiant Minister filly was third at Saratoga Race Course on debut last summer at 2, then broke her maiden in the FTBOA Florida Sire Susan's Girl Stakes before annexing the FTBOA Florida Sire My Dear Girl Stakes, both wins coming at Gulfstream.

The seven-furlong Gasparilla marked her 3-year-old debut for Hall of Fame trainer Bill Mott, and jockey Samy Camacho rated her in fifth early as Platinum Gem opened with a :22.09 quarter-mile on the fast

main track. The pacesetter ran the half in :44.65 but began to give way while Camacho was calling upon his mount, the even-money favorite.

Outfoxed picked off rivals in the turn, entered the homestretch four wide, and put away Strategic Bird to gain the lead in the final sixteenth. Goddess of Fire made her own rally from the back but Outfoxed held on to win by three-quarters of a length and paid \$4.20 to win. The final time was 1:23.37.

"It was a different group of horses on a different racetrack, and I thought it took her about a quarter-mile to get her legs under her," said Mott, who watched the race from South Florida. "But she was able to get up in gear enough for the win and was very professional about it.

"The water is going to get deeper from here on, and I think her toughest tests are ahead of her," added Mott, who said the \$150,000 Suncoast Stakes Feb. 12 at a mile and 40 yards could be an option for Outfoxed's next start. "We want to keep the doors open at Tampa and elsewhere."

Goddess of Fire rallied belatedly to finish second by three-quarters of a length ahead of weakening third-place finish Strategic Bid in the eight-horse field.

Outfoxed was bred in Florida by Baoma Corp. and is the first foal out of the stakes-winning Kantharos mare Savingtime. The dam has since produced a 2-year-old Tunwoo filly, a yearling Valiant Minister filly, and was bred back to Valiant Minister for 2022.

First time through the auction ring, Outfoxed sold

for \$27,000 to Jesse Hoppel out of Abbie Road Farm's consignment to the 2020 Ocala Breeders' Sales October Yearling Sale. She was then picked up for \$360,000 by the bloodstock agency partnership of Solis/Litt from Hoppel's Coastal Equine consignment to the 2021 OBS Spring Sale of 2-Year-Olds in Training. After four starts, her earnings stand at \$477,000. **BH**

FAST DRAW MUNNINGS FINDS THE MARK IN CAL CUP DERBY

By BloodHorse Staff

Soundly beaten by Straight Up G when they last met, Red Baron's Barn and Rancho Temescal's Fast Draw Munnings turned the tables on his heavily favored rival Jan. 15 at Santa Anita Park in the \$192,000 California Cup Derby, winning by a neck.

Ridden by Drayden Van Dyke, Fast Draw Munnings, a California-bred colt by the Kentucky-based stallion Munnings, raced 1 1/16 miles in 1:46.99. He became the third stakes winner of the year for Munnings following earlier victories in the Smarty Jones Stakes from Dash Attack and Sir Alfred James in the Holiday Cheer Stakes.

The California Cup Derby was the first of five stakes at Santa Anita Saturday, all for state-breds.

The seeds of Straight Up G's defeat were sown early, as Highland Ghost, under Flavien Prat, went to the early lead from his rail post position with Straight Up G lapped on him through splits of :23.56 and :48.01. On the second turn, the favorite seemed poised to take charge with six furlongs in 1:13.52, but Fast Draw Munnings was firing from a stalking position at that stage, too.

"The main thing was hoping somebody went with the favorite. I mean that horse got away with an easy lead last time and we thought that if somebody goes with him, I told Drayden to make sure he gets a good jump out of there and be right off their heels," said winning trainer Jeff Mullins. "It worked out, the one horse went with the favorite and I think kind of softened him up and gave us the opportunity to get by."

"It's kind of waiting game most of the time, so we will just enjoy the moment now and see what comes up for him. Obviously, he's pretty versatile. I think he can go one turn, two turns, and he may even like the turf. With these kind of Cal-breds, you have to jump wherever you can and I think he's proved that he can."

Bred by Glenn Porter, Fast Draw Munnings (\$10.40) is the first foal out of the Bedford Falls mare Zuzu's Petals. The dam, a six-time winner, also has a yearling filly by Classic Empire and was bred to Clubhouse Ride for 2022.

BENOIT PHOTO

Fast Draw Munnings inches past Straight Up G to win the California Cup Derby at Santa Anita Park

A first-out maiden winner going 5 1/2 furlongs at Los Alamitos Race Course Sept. 17, Fast Draw Munnings was most recently third, beaten 5 1/4 lengths by gate-to-wire winner Straight Up G, in the one-mile King Glorious Stakes against state-breds Dec. 12 at Los Alamitos.

In his fourth career start, Fast Draw Munnings notched his first stakes win and second overall victory. He increased his earnings to \$170,600.

Straight Up G was brave in defeat, finishing 3 1/4 lengths ahead of third-place Finneus.

"I knew it was going to be a good battle because (Straight Up G) kicked on when I asked my horse to go, but my horse dug in," said Van Dyke. "I've always loved this horse. He's kind of a hard-headed horse, he doesn't give you all that he has but he showed what he could do today and I'm proud of him."

Later on the card, Double L Racing's Aligato unleashed an impressive turn of foot to take the \$196,000 Unusual Heat Turf Classic Stakes Presented by City National Bank going away by 1 3/4 lengths. Ridden by Prat, the 5-year-old Kitten's Joy gelding ran the 1 1/8 miles on a firm turf course in 1:48.29. He is trained by Mark Glatt.

Leggs Galore, trained by Phil D'Amato and a homebred for William Sims, landed a repeat victory in the \$153,500 Sunshine Millions Filly and Mare Turf Sprint Stakes Presented by John Deere when she drew clear by 2 1/4 lengths under Ricardo Gonzalez. The 5-year-old Bayern mare clocked about 6 1/2 furlongs down Santa Anita's hillside turf course in 1:12.99.

Alfred Pais' homebred Brickyard Ride went wire-to-wire in the \$151,500 Don Valpredo California Cup Sprint Stakes after capturing the 2021 edition in similar fashion for trainer Craig Anthony Lewis. The 5-year-old son of Clubhouse Ride, piloted by

SHAMROCKET ACES DIRT TEST IN SUNSHINE MILLIONS CLASSIC

By Molly Rollins

[@BH_MRollins](#)

Despite never starting on dirt in prior 21 trips to the post in his four seasons of racing, Donegal Racing's Shamrocket bulldozed his way down the center of the Gulfstream Park track to collar a game Sir Ollie nearing the wire in the \$75,000 Sunshine Millions Classic Stakes Jan. 15.

"(Shamrocket has) always trained well on (the dirt), and we were kind of looking for the right time to give it a try," said Hall of Fame trainer Todd Pletcher. "I talked to (Donegal head) Jerry Crawford and decided to go ahead and give it a try. It could open up some options for him. I think he's a horse that might even handle some of these longer dirt races, marathon-type dirt races, down the road. I'm happy for the horse and proud of him for getting the job done."

The Sunshine Millions Classic, along with the Sunshine Millions Sprint Stakes later on the card, placed Florida-breds in the spotlight on the Saturday card.

Five-year-old Shamrocket entered the Sunshine Millions Classic, a 1 1/8-mile test for 4-year-olds and up, as a stakes winner on the grass. Two starts ago he was victorious in the 1 1/2-mile Point of Entry Stakes at Belmont Park before finishing fifth, beaten 1 3/4 lengths, in the Nov. 20 Red Smith Stakes (G2T) at Aqueduct Racetrack.

Off as the 6-5 favorite against six relatively unaccomplished rivals in the Classic, Shamrocket benefited from a patient ride from jockey Javier Castellano, as the pair bided their time in fourth through early fractions of :24.81 and :49.71. Up front, Big Venezuela and second-choice Sir Ollie took turns on the lead before Sir Ollie put away that foe and vied for command with 43-1 shot Nacho Papa as the field charged around the final turn and into the lane. Castellano meanwhile guided Shamrocket four wide for the stretch run and the bay closed relentlessly, wearing down Sir Ollie in the closing strides for a half-length triumph.

Shamrocket was timed in 1:52.26 on a fast track. Nacho Papa held third.

SHAMROCKET ACES DIRT TEST IN SUNSHINE MILLIONS CLASSIC

(continued from page 14)

"I had a perfect trip. I didn't want to be too far back because he's the one-run type of horse. I didn't want him to think too much and didn't want him to get too much dirt in his face or get bounced around in his first race on dirt," Castellano said.

Bred in Florida by Rustlewood Farm, Shamrocket is by Belmont Stakes (G1) hero Tonalist and out of the Storm Cat mare Zehoorr. He is a half brother to stakes winner Believe in Charlie and hails from the family of grade 1 winner Nany's Sweep and graded stakes winner She's Indy Money. The dam of six winners from seven foals to race, Zehoorr also has a yearling colt by Tiznow and was bred to Hard Spun for 2022.

Donegal Racing purchased Shamrocket for \$130,000 from the 2018 Keeneland September Yearling Sale from the Summerfield consignment. The horse has earnings of \$465,230 and a 5-6-7 record in 22 starts.

Gatsby Great in Sprint

Arindel's homebred Gatsby followed a half-length defeat to grade 1 winner Drain the Clock in a Dec. 10 allowance optional claimer to notch his first stakes victory in the \$100,000 Sunshine Millions Sprint.

Gatsby, piloted by Luis Saez, broke on top but was quickly outfooted for the early lead by the Brian Lynch-trained Cool Quest, who shot up the inside fence to lead the seven-horse field with a snappy :21.75 opening quarter. Past a half-mile in :44.23, Gatsby rolled up to engage Cool Quest with a quarter-mile to

Gatsby takes the Sunshine Sprint Stakes

run and dueled that rival down the stretch. In the final sixteenth, Gatsby surged clear for a 1 1/4-length tally in 1:09.11 for the six furlongs.

Cool Quest and Pudding completed the trifecta.

“

Having Drain the Clock in (the previous) race was really tough. When (Gatsby) ran a fast race like that, we knew he'd be competitive in this race.”

—CARLOS DAVID

After Gatsby's runner-up finish to Drain the Clock, trainer Carlos David was confident Gatsby would come forward with a top effort Saturday.

"That was kind of a preparation for this race," said David. "Having Drain the Clock in that race was really tough. When he ran a fast race like that, we knew he'd be competitive in this race."

Gatsby, a 4-year-old gelding by Brethren, is a full brother to Octane, who landed the FTBOA Florida Sire In Reality Stakes and FTBOA Florida Sire Affirmed Stakes in 2021 at Gulfstream. He is out of the winning Aldebaran mare Star Recruit, a half sister to graded stakes winner Z Humor. Star Recruit has an unraced 2-year-old full sister to Gatsby and Octane named Jellybean.

Gatsby has earned \$286,420 and holds a 4-5-2 record in 19 starts. **BH**

FIRST FOAL FOR VEKOMA A KENTUCKY-BRED FILLY

By BloodHorse Staff

The first reported foal by Spendthrift Farm stallion Vekoma is a filly, born early Jan. 15 at Crowning Point Farm near Paris, Ky.

"She's a nice filly; we thought she was a colt because of how big she was from a maiden mare," said Julie Rini, owner/operator of Crowning Point. "She has a nice shoulder and hip, good bone, and appears to be correct. We are very happy."

Bred by Loren Nichols, the bay filly is the first foal out of the stakes-placed Bellamy Road mare

Bella Alicita. She comes from the family of graded stakes winner Blazing Fury.

Campaigned by trainer George Weaver for R. A. Hill Stable and Gatsas Stables, Vekoma was an undefeated graded stakes winner at 2, during which time he took the Nashua Stakes (G3) at Aqueduct Racetrack. At 3, he captured a major Kentucky Derby Presented by Woodford Reserve (G1) prep race, the 1 1/8-mile Toyota Blue Grass Stakes (G2) at Keeneland.

After a 12th-place finish in the Derby, the son of Candy Ride proved to be one of the best horses in North America as a 4-year-old, dominating the Runhappy Carter Handicap (G1) before taking down the prestigious Runhappy Metropolitan Handicap (G1) when 3-for-3 in 2020.

Vekoma retired to Spendthrift with six wins from eight starts and earnings of \$1,245,525. After covering 222 mares in his first book in 2021, the 6-year-old chestnut stands this year for an advertised fee of \$17,500. **BH**

GLOBAL CAMPAIGN'S FIRST FOAL A MARYLAND-BRED FILLY

By BloodHorse Staff

WinStar Farm stallion Global Campaign sired his first reported foal when breeder Country Life Farm welcomed Jan. 14 a Maryland-bred filly out of multiple stakes-placed Miss Mystique (Teuflesberg), an earner of \$258,283.

"We were excited to breed to him and we couldn't be happier with this filly," said Christy Holden, Country Life Farm general manager. "Being a Maryland-bred will give her lots of opportunities to

The Global Campaign filly out of Miss Mystique

earn bonuses when she runs, and she's already showing us that she'll be a star."

A son of Curlin bred by WinStar, Global Campaign demonstrated speed and stamina on the racetrack. He won from seven furlongs on debut at 3 to 1 1/4 miles in the Woodward Handicap (G1) at 4. He also captured the 2019 Peter Pan Stakes (G3), the 2020 Monmouth Cup Stakes (G3)

over seven other stakes winners, and was third in the 2020 Longines Breeders' Cup Classic (G1). He won six of 10 starts and bankrolled \$1,321,080 for partners Sagamore Farm and WinStar and trainer Stanley Hough.

A complete outcross in his first four generations, Global Campaign is one of three black-type winners from as many foals produced from the late Globe Trot (A.P. Indy). The others are multiple grade 1 winner Bolt d'Oro and multiple stakes winner Sonic Mule.

A \$250,000 Keeneland September Yearling Sale purchase by Sagamore, Global Campaign was booked full in 2021 and bred 177 mares. He stands for a \$12,500 fee in 2022. **BH**

FLORIDA-BRED COLT FIRST FOAL FOR CARACARO

By BloodHorse Staff

The first reported foal by Crestwood Farm stallion Caracaro was born Jan. 14 at Dr. Gilberto Lopez's Giraluna Stables near Ocala. The colt's dam is stakes producer Real Ruffian.

Real Ruffian (Ghostzapper) is out of multiple stakes winner No Foul Play (Great Gladiator), who also produced graded stakes winner Temporary Saint. Her first foal, First Illusion (Plan), became stakes placed at Gulfstream Park.

Caracaro, bred by SF Bloodstock, is by Uncle Mo out of the War

Front mare Peace Time, the dam of three black-type horses. His second dam is grade 2 winner, multiple grade 1-placed Santa Catarina (Unbridled), the 2003 Kentucky Oaks (G1) runner-up.

Gustavo Delgado trained Caracaro for owners Global Thoroughbred and Top Racing. In January of his 3-year-old season, Caracaro broke his maiden by six

lengths at Gulfstream. He was then second to eventual grade 1 winner Country Grammer in the Peter Pan Stakes (G3), ahead of eventual Dubai World Cup Sponsored by Emirates Airline (G1) Mystic Guide, and was second again in the Runhappy Travers Stakes (G1) to Tiz the Law, ahead of another eventual grade 1 winner in Max Player. That was Caracaro's final start.

He earned \$238,800 from a 1-3-0 record in four starts after being acquired for \$95,000 by Global Thoroughbred when consigned by Buckland Sales to the 2017 Keeneland November Breeding Stock Sale.

Caracaro stands for an advertised fee of \$6,500 at Crestwood in 2022. **BH**

Math Man Marco breaks his maiden at Hollywood Casino at Charles Town Races

Robert Cole Jr.'s homebred Math Man Marco defeated a field of six other West Virginia-bred 3-year-olds by seven lengths in his debut Jan. 15 at Hollywood Casino at Charles Town Races. In doing so, the chestnut gelding became the first winner for his sire Alliance.

Trained by Irving Velez and ridden by Arnaldo Bocachica, Math Man Marco led at every point of call and completed 4 1/2 furlongs in :52.81 on the fast track. He picked up \$17,742 in earnings.

Math Man Marco is the second foal and first winner produced from the Eurosilver mare Euro Indian Girl, a 12-time winner of \$208,702.

Alliance, an unraced 8-year-old son of Harlan's Holiday, entered stud at Bonita Farm in Maryland in 2018. Out of the Stravinsky mare Life Happened, he is a half brother to Tepin, a two-time champion grass mare who captured the 2015 Breeders' Cup Mile (G1T) and 2016 Queen Anne Stakes (G1) on her way to earnings of over \$4.4 million. Life Happened also produced millionaire Vyjack, a graded stakes winner on dirt and turf who set a course record of 1:31.69 when taking the 2016 City of Hope Mile (G2T) on the Santa Anita Park turf, and multiple graded stakes-placed Prime Cut. Life Happened is a half sister to multiple graded stakes winner and sire Disco Rico.

Alliance stands at Bonita Farm for an advertised fee of \$4,000 in 2022. **BH**

SMILE HAPPY, TIZ THE BOMB WORK TOWARD 3-YEAR-OLD DEBUTS

By BloodHorse Staff

Lucky Seven Stable's Smile Happy and Phoenix Thoroughbred's Tiz the Bomb breezed sharply in company at Gulfstream Park Jan. 15 toward upcoming starts on the Road to the Kentucky Derby.

While trainer Kenny McPeck has the option to run both in the Feb. 5 Holy Bull Stakes (G3) at Gulfstream, he told BloodHorse via text message that his preference for Smile Happy, the undefeated winner of the Kentucky Jockey Club Stakes (G2), is to send him to Fair Grounds Race Course & Slots for the Feb. 19 Risen Star Stakes Presented by Lamarque Ford (G2). Tiz the Bomb, a graded stakes winner on turf who last out was second in the Breeders' Cup Juvenile Turf (G1T), is slated for the Holy Bull.

On Saturday the pair turned in a half-mile work in :46.52, the third-fastest clockings of 84 workouts recorded at the distance on the Gulfstream main track.

"It was a nice maintenance work. They went a little quicker than I wanted them to. I gave them instructions to go in about :48," trainer Kenny McPeck said. "But it's OK. They're doing good."

The breeze was the third in a series of workouts at Gulfstream for the two sophomores since the turn of the year.

"You need a fast horse to go with a fast horse," McPeck said. "You can't work a fast horse with a slow horse."

Smile Happy, a son of Runhappy, has won both of his career starts in going-away style. He closed from far back to break his maiden by 5 1/2 lengths at 1 1/16 miles Oct. 29 at

Keeneland, then rallied from mid-pack to capture the Kentucky Jockey Club at the same distance by 3 1/4 lengths at Churchill Downs Nov. 27.

Tiz the Bomb broke his maiden on a fast main track at Ellis Park in a mile race originally scheduled for the turf by 14 1/4 lengths July 2. He then captured the Kentucky

Downs Juvenile Mile Stakes Sept. 6 and the Castle & Key Bourbon Stakes (G2T) at Keeneland Oct. 10. The son of Hit It a Bomb concluded his 2021 season with a late-surging second in the Breeders' Cup Juvenile Turf Nov. 5 at Del Mar.

The Holy Bull is run at 1 1/16 miles and offers qualifying points for the Kentucky Derby Presented by Woodford Reserve (G1) on a 10-4-2-1 scale. The 1 1/8-mile Risen Star has points on a 50-20-10-5 scale.

McPeck's Arkansas-based Derby prospect, Dash Attack, is pointed to run next in the Southwest Stakes (G3) at Oaklawn Park Jan. 29. It offers points on the same 10-4-2-1 scale as the Holy Bull. **BH**

LONE ROCK COULD TARGET DUBAI WORLD CUP AFTER RAZORBACK

By BloodHorse Staff

Trainer Robertino Diodoro said in November that Lone Rock's 2022 racing schedule could include another shot in grade 1 company after the son of Majestic Warrior became energized in marathon events last year.

Diodoro has that grade 1 race circled and a familiar path to try and get there.

The trainer said Lone Rock is pointed for the \$600,000 Razorback Handicap (G3) Feb. 12 at Oaklawn Park and if all goes well, the \$12 million Dubai World Cup Sponsored by Emirates Airline (G1) March 26 at Meydan Racecourse. The Dubai World Cup is at 2,000 meters, or about 1 1/4 miles.

The Razorback would be Lone Rock's first start at less than 1 1/8 miles since an allowance victory at 1 1/16 miles in his 2021 debut last February at Oaklawn.

"I don't know if we have to win it," Diodoro said. "We are shortening up to 1 1/16 miles in the Razorback. As long as he shows up again and runs like he's been running, then we're going to give it (the Dubai World Cup) some serious consideration, for sure."

Gun Runner launched his 2017 Horse of the Year campaign with a runaway victory in the Razorback before finishing second in the Dubai World Cup in his next start. Last year's Razorback winner, Mystic Guide, won the Dubai World Cup in his next start.

Hot Rod Charlie is another American horse pointed toward this year's Dubai World Cup. He travels to Dubai this month to race once in Dubai in advance of the Dubai World Cup.

Lone Rock captured seven of nine starts last year, including the Brooklyn Stakes Presented by Northwell Health(G2) in June at Belmont Park and the Thoroughbred Aftercare Alliance Stakes (G2) Nov. 6 at Del Mar under Oaklawn regular Ramon Vazquez.

The Razorback would mark Lone Rock's first start since concluding his spectacular 2021 campaign with a three-quarter length victory over stablemate Thomas Shelby in the inaugural Tinsel Stakes at 1 1/8 miles Dec. 18 at Oaklawn. Thomas Shelby ran third in the Fifth Season Stakes Jan. 15 at Oaklawn.

Lone Rock returned to the work tab Jan. 14, breezing a half-mile on a fat track in :49 3/5 under Vazquez.

"He worked great," Diodoro said.

Owned by Jason Provenzano's Flying P Stable and Randy Hill's R. A. Hill Stable, Lone Rock has won 14 of 37 career starts and earned \$1,144,921, including \$842,884 last year.

Other locally based horses pointing for the Razorback include multiple grade 3 winner Plainsman for trainer Brad Cox and Last Samurai. Dallas Stewart trainee Last Samurai won the inaugural Poinsettia Stakes for 3-year-olds Dec. 11 at Oaklawn. Both horses also worked Jan. 14, with Plainsman going a half-mile in :48 3/5 and Last Samurai covering the same distance in :49. **BH**

KHRC VACATES LEVAMISOLE RULINGS AGAINST SHARP

By Byron King

[@BH_Bking](#)

Kentucky stewards vacated five rulings Jan. 14 previously issued against trainer Joe Sharp in the state related to a series of drug positives for levamisole from races at Churchill Downs in November 2019.

Those test results and others that followed that winter in Louisiana came after Sharp said he began using a deworming product containing levamisole in late 2019. Louisiana fined Sharp \$1,000 per occurrence but did not issue suspensions, unlike Kentucky, which fined him \$500 and handed him a 30-day suspension, sanctions Sharp appealed. Louisiana followed the drug guidelines of the Association of Racing Commissioners International in assessing their cases, Sharp said.

Kentucky stewards wrote the prior rulings were vacated "due to the declassification of levamisole in August 2015 by the Kentucky Horse Racing Commission."

"They basically called false positives," Sharp said.

The latest action does not change disqualifications of Sharp's horses, the trainer said, after affected owners chose to accept the loss of purse to maintain conditions rather than run into eligibility issues while under appeal.

In describing Sharp's appeal in January of last year, Sharp's attorney, Clark Brewster, pointed to a levamisole case involving trainer Daniel Werre, whose one-year suspension for levamisole was reversed by a Kentucky judge in 2015, with the judge citing the KHRC's improper classification of the drug at the time. The KHRC later reduced the suspension to one week and fined him \$500.

During a meeting of the KHRC in the summer of 2015, the commission dropped levamisole from its classification schedule. Dr. Mary Scollay, then KHRC equine medical director, explained to the commissioners that levamisole metabolizes into aminorex, making dropping a classification for levamisole appropriate.

Sharp's horses did not test positive for aminorex, Brewster indicated last winter.

Reached Saturday evening, Brewster criticized the KHRC for their initial actions, which he said by their own rules, never should have occurred. Sharp's owners lost purse money, and some disqualified horses

were transferred from the trainer, including Bruce Lunsford's Art Collector.

Art Collector won graded stakes in 2020 and 2021 for trainers Tommy Drury and Bill Mott.

"I'm pleased that the result is correct, but great damage was done not only to him but to the sport, in letting this play out," Brewster said. "And who steps up and says, 'Hey, we're sorry for this?' Or, 'This wasn't right?' Who does that? That answer, we know, is no one."

KHRC officials have previously indicated they do not comment on regulatory matters.

Sharp, whose stable won 103 races and

\$4.2 million in 2019 from 652 starts, won 54 races in 2020 and 59 races last year with much fewer starts, 355 and 386, respectively. He has 675 career victories and stable earnings of \$28.1 million since beginning training in 2014.

Sharp thanked his owners that stuck by him through his appeal.

"It's been a long couple of years, and we're glad to put it behind us and come out on the right side of it," he said. **BH**

COOLANGATTA LIVES UP TO HYPE IN MAGIC MILLIONS CLASSIC

By Lydia Symonds and Alex Wiltshire/ANZ Bloodstock News

Coolangatta had been the talking horse in the run up to The Star Gold Coast Magic Millions 2YO Classic and Jan. 15 the Ciaran Maher- and David Eustace-trained juvenile lived up to that hype when she produced a brave performance to land the AU\$2 million race on the Gold Coast.

COURTESY OF MAGIC MILLIONS

Coolangatta wins the Magic Millions 2YO Classic at Gold Coast

The daughter of Written Tycoon came into the race with a lofty reputation to uphold, having landed the Keeneland Gimcrack Stakes (G3) on her first start on Oct. 2 before she followed that up with a victory in the Magic Million B.J. McLachlan Stakes (G3) at Doomben on Boxing Day.

Coolangatta's victory in Saturday's race was a second for the Maher-Eustace stable, who landed the first Magic Millions 2YO Classic with Away Game in 2020, while it was the first win in the lucrative 1,200-meter (six-furlong) contest for James McDonald, who gave the filly a fine ride from post 10.

McDonald slotted in swiftly from the off and asked the question early of the filly, who despite racing greenly, traveled strongly to hold

off a determined Russian Conquest by a head with Snitcat a further 2 1/4 lengths away in third.

Maher was full of praise for McDonald, although he admitted he was a bit nervous that the rider had pushed the button too soon.

"J Mac when he went a bit early I thought 'Oh God,' He made me a little nervous," Maher said.

"He's good under pressure, he's a great man. A great job by the team."

The victory added yet another feather in the already heavily decorated cap of McDonald, who has once again been enjoying a wonderful season, headlined by a maiden win in the Lexus Melbourne Cup (G1) on Verry Elleegant in November. Verry Elleegant herself is also co-owned by one of Coolangatta's ownership group in

Brae Sokolski, who was also effusive in his praise of McDonald's ride on the filly Saturday.

"If it wasn't James McDonald you couldn't imagine it, but with him you expect it," Sokolski said.

"Landing in that one-out, one-back was perfect, he was very confident he had a lot of horse under him. He took off nice and early and put them to the sword."

McDonald himself said he felt the pressure ahead of the race, especially given the high expectations surrounding the filly.

"It was a great thrill to ride such a dominant favorite in the race, it comes with big expectations," McDonald said.

"I was glad to be able to aid her with a nice ride.

"Especially with a hype horse like she is, she's been a dominant favorite for a long time."

Maher confirmed the filly would now head for a break, before being prepared for a crack at the Golden Slipper Stakes (G1) where she will be aiming to become the first horse to complete the double since Capitalist in 2016, who was incidentally also by the now Yulong Stud-based sire Written Tycoon.

Bred by Highclere Stud, Coolangatta was purchased by Maher and Eustace for AU\$280,000 (US\$217,813) at last year's edition of the Magic Millions Gold Coast Yearling Sale from the Milburn Creek draft and she is one of two winners out of the dual-winning More Than Ready mare Piping Hot. The filly's half brother, Snitzonfire, has won three times, but finished a disappointing 15th in the Magic Millions 3YO Guineas in the following race on Saturday's card.

(continued on page 23)

COOLANGATTA LIVES UP TO HYPE IN MAGIC MILLIONS CLASSIC

(continued from page 22)

Piping Hot herself is a daughter of group 2 winner Ribe (Danehill) and produced a further seven winners, headed by 2008 Arrowfield Stud Blue Diamond Stakes (G1) scorer Reaan. In 2020, Piping Hot produced a filly by Arrowfield Stud resident Dundee, before missing to Capitalist and she was covered again by Written Tycoon last September.

Coolangatta is one of 44 stakes winners for Australia's reigning champion sire Written Tycoon, who has shown an affinity with daughters of More Than Ready and this filly is one of 15 winners bred on the cross, which is headed by group 1 winner Luna Rossa.

King Of Sparta Reigns

While the training partnership of Peter and Paul Snowden fell one short in the 2YO Classic with Russian Conquest, there was adequate compensation arriving just one race later as their King Of Sparta took out the AU\$2 million Gold Coast Magic Millions 3YO Guineas.

The win led to familiar connections celebrating in the winner's room post-race, as owners China Horse Club also took last year's running of the Guineas with the Snowden-trained Aim. However, victory for King Of Sparta perhaps looked unlikely through the early stages of the 1,400-meter (about seven-furlong) contest, as old habits resurfaced after jumping from post 10, with the gelding pulling furiously when he and jockey Nash Rawiller found themselves posted wide on the track.

Despite his early misdemeanors, the favorite proved too classy for his 17 rivals, when in the straight he powered into the lead down the center of the track and held off the challenge of last-start listed winner Me Me Lagarde in the silks of Magic Millions supremo Gerry Harvey, to claim a dominant 1 1/4-length victory.

The best of the trailing pack was the Maher- and Eustace-trained Socialist, who finished a further length and a half back in third.

"He's a horse that's always had immense talent but he always seems to do something wrong in his races and ends up being his own worst enemy," Paul Snowden said.

"But today with Nash—it's the first time he's sat on the horse believe it or not—I was filling him up with plenty of instructions before the race and thankfully there was always going to be good tempo and he got into a lovely trailing spot midfield where we wanted to be."

King Of Sparta entered into Saturday's contest with just two wins from 11 starts, having run fourth in both the Iron Jack Silver Slipper (G2) and Widden Kindergarten Stakes (G3) as a juvenile and third behind Paulele in the Polytrack Roman Consul Stakes (G2).

"He was much too good," Snowden added.

"Maturity is what he's always lacked and it showed through his early career when he was doing things wrong against that better class of horse but hopefully he is that better class of horse now and he can keep going this way.

"We'll get him back to Sydney tomorrow. It's meant to be an autumn preparation but he's ready to go now. What we do with him depends on how the races fall for him. A Brisbane winter campaign is also a possibility. But a lot of it was pushed towards today, coming off a very strong first-up run."

MAGIC MILLIONS BOOK 1 WRAPS WITH AUCTION RECORD

By Tim Rowe/ANZ Bloodstock News

A booming finish to Book 1 of the Magic Millions Gold Coast Yearling Sale Jan. 15, in which four lots hit the million-dollar mark to create an auction house record and set new benchmarks for established and fledgling vendors, has left one of the key personnel behind the first sale of 2022 gobsmacked at its success and the overall demand from the market.

Across five sessions, 777 yearlings have sold for a total of AU\$228,807,500 (US\$164,167,537), up AU\$31.5 million on the 2021 Book 1 sale with the same number of lots traded, at an average of AU\$294,476 (\$211,401) and a median of AU\$230,000 (\$165,115), metrics up 16% and 28% year-on-year respectively.

The previous benchmark of 12 million-dollar horses had already been surpassed on Friday which saw three seven-figure yearlings exchange hands, but a further four reached the mark during the condensed 93-lot post-races session, for a total of 19 AU\$1 million-plus lots in an extraordinary 2022 sale.

Magic Millions managing director Barry Bowditch, even if he was more bullish in his private beliefs compared to his public pre-sale predictions, was lost for words over how the Book 1 sale had transpired.

"I'm speechless. It's been fantastic from start to finish. It's been an outstanding team effort to navigate ourselves through this and to get the dream result is something fantastic," Bowditch told ANZ Bloodstock News.

"To the vendors, to get their support and to be able to facilitate the sale to the level we have is something quite extraordinary.

"Whatever way you look at it, it's a record sale, it's a significant sale; it's a benchmark sale of Australasia, if not the world, when it comes to a yearling sale these days and we're thrilled to be able to start 2022 in the manner we have."

The sale-topping I Am Invincible colt consigned as Lot 585 with the Newgate Farm team at the Magic Millions Gold Coast Yearling Sale

Rival Inglis will be waiting for its sales ring right of reply, starting with the Classic auction in three weeks' time, but there is little doubt the depth of the market experienced at the Gold Coast has set the tone for not only the Magic Millions Book 2 offering Sunday and Monday, but for the remainder of the yearling sales season across Australia and potentially New Zealand.

"The industry's in great shape. The economy, there's pent-up demand for houses, cars, and boats, and horses fall into that category," Bowditch said.

"People are enjoying our industry, our prize money's fantastic, the Magic Millions brand has never been stronger, and it's the perfect storm when it comes to all that.

"There's a lot of faith and trust in what the buyers think of our catalog and the success they've had out of it in recent years."

For Newgate Farm, who parted with an auction-high AU\$1.9 million (\$1,383,959) I Am Invincible colt Jan. 13 and capped its sale with an AU\$1 million (\$721,160) Snitzel filly Saturday night, the fourth seven-figure yearling from their 2022 Gold Coast draft, the breakout results signifies another important milestone in the Hunter Valley stud's rise from start-up to powerhouse.

(continued on page 25)

MAGIC MILLIONS BOOK 1 WRAPS WITH AUCTION RECORD

(continued from page 24)

The Henry Field-led Newgate sold 45 Book 1 yearlings for AU\$18.81 million (\$13,503,547), the first time the farm has been crowned leading Magic Millions vendor.

"It's been extraordinary. We're absolutely so thrilled. Barry Bowditch just alerted me to the fact we're the highest-grossing vendor in the history of the Magic Millions, which is something we're so proud of," Field said.

"Our whole team at Newgate, headed by Jim Carey, they've worked so hard day-in, day-out, raising these horses from the day they were conceived to the day they were born, through to walking through the sales ring and, my goodness, I couldn't be prouder."

Those that have observed the astute Field go about the establishment of Newgate from a pinhooking venture, to a stallion farm, to large-scale consignor, would not be shocked by the trajectory of the stud, but the speed and impact are quite remarkable.

Field himself credited his business partners, SF Bloodstock's Gavin Murphy and Matthew Sandblom, for their guidance and belief in the Newgate business model.

"We've built a wonderful farm, we've built a great staff, built a magnificent broodmare band, and, most importantly, the

farm is producing so many great racehorses on the track, and I'm just so proud to see our owners, our partners Matthew Sandblom and Gavin Murphy, reap the benefits with the wonderful sales we've had," he said.

"But also all of our owners from Newgate who've supported us from day dot. It's quite an extraordinary sale and we're so proud of the results we've had."

Newgate Farm also sold million-dollar colts by Pierro and Deep Field, the sire's first, and rounded out a big sale by selling a Snitzel filly to A List Stud for AU\$1 million.

The filly, cataloged as Lot 917, is the first living foal out of listed winner Divine Centuri, a mare Newgate purchased for AU\$360,000 (\$267,840) in 2017. She will be trained by A List Stud's Chris Lee's private Gold Coast-based trainer Allan Chau.

Another prominent Hong Kong owner Tony Fung also signaled he was as engaged in Australian racing as ever by adding an AU\$1.05 million (\$757,218)

Snitzel colt in the closing minutes of the record-breaking sale, taking his tally to 16 for a spend of AU\$5.97 million (\$4,284,024).

Fung also bought a further three horses in partnership with Ciaran Maher and four with Annabel Neasham.

The Snitzel colt, offered by Arrowfield Stud as Lot 930, is the third foal out of Dream Date, a half sister to top stallion Not A Single Doubt, also the sire of Fung's Longines Golden Slipper (G1) winner Farnan.

MAGIC MILLIONS BOOK 1 WRAPS WITH AUCTION RECORD

(continued from page 25)

"We are not sure of the trainer yet. He was one of our picks of the sale. He's athletic, a beautiful-moving Snitzel colt," Fung's racing manager Sally Williams said.

"We've obviously assembled a really good group of colts. I am not going to pick one as a standout, but he was one of our favorites, and hopefully we will see him back here (for the race) next year."

The most expensive horse sold Saturday was an AU\$1.2 million (\$865,392) colt by champion stallion Exceed And Excel, the first million-dollar horse sold by breeder Fernrigg Farm.

He was purchased by James Harron's colts partnership, the agent's fourth and highest-priced for the group of investors.

An emotional Rae-Louise Kelly of Fernrigg Farm was ecstatic with the big sales ring result for the Denman operation which is fast creating a reputation for raising quality horses, having sold Magic Millions 2YO Classic runner Cusack last year, as well as the 2021 winner of the race, Shaquero.

"That was unbelievable. We bought the mare three years ago and she lost her first foal. We put her in foal to Exceed," Kelly said.

"We knew when he was born he was something special. His reserve was AU\$300,000, so that just completely blew us (away)."

The son of Exceed And Excel, who has top-class sprinting sire sons Bivouac and Exceedance at stud, also provided a massive return on investment for vendor Fernrigg Farm who outlaid AU\$220,000 (\$152,306) for his dam, U.S. listed stakes winner Devious Rumor, at the 2019 Magic Millions National Sale.

"You're always a bit anxious waiting on Saturday night, it's never a time when you want to buy a horse ... but he was a colt when we first saw him who went to the top of the list," Harron said.

"He's a great shape, great movement, and Exceed And Excel needs no introduction and he's out of a speedy American mare, so he suits our colts fund down to the ground."

UNVACCINATED HONG KONG TRAINER CAN'T ATTEND RACING

By Peter Scargill/Racing Post

Trainer Caspar Fownes says he "doesn't care" what people think of him after being prevented from attending the races in Hong Kong as a result of being unvaccinated against COVID-19.

Fownes, 54, claimed his fourth championship in Hong Kong last year after a stellar season, which included success in the BMW Hong Kong Derby with Sky Darci and a win in the Longines Hong Kong Sprint (G1) at the International meeting last month with Sky Field.

However, with racing in Hong Kong taking place behind closed doors due to a rise in COVID-19 infections and a recent positive test at Happy Valley Racecourse, Fownes was unable to attend a fixture Jan. 12 and will also be unable to attend Jan. 16 and Jan. 19 with the essential staff permitted to enter the racecourse needing to be fully vaccinated against the virus.

No vaccination restrictions have been put in place away from the racecourse, meaning Fownes has continued to train his horses trouble-free, but he believes he may end up needing to be vaccinated if the racecourses remain under lockdown beyond the present meetings.

"It's not affected my work in any way," he said on Jan. 15. "I'm still out there every day working and seeing the same people, but you're only able to attend the races if you are fully vaccinated.

"I'm medically exempt from taking the vaccine but it looks like I might have to take something to go racing at some point as I think the restrictions will stay in place from the government, but we'll just have to see.

"I'm seeing the same people every day that I'd see at the races but then I can't go, which doesn't really make sense but it is what it is. I've trained nearly 1,000 winners so I don't care what people think of me."

Trainer Caspar Fownes

Fownes, who also landed the Hong Kong Derby in 2010 and handled multiple group 1-winner Lucky Nine, added: "It's an unfortunate situation. I'm pro-vaccine, I support science but a few friends of mine and some people I've worked with have had some complications when they've had it, and I've got some complications, so it's not straightforward.

"It really depends on what the government does but it looks as though the restrictions will be extended, like they are in nearly every other country, and that's going to impact on what happens with the races."

Due to his vaccination status, Fownes, who was born in India to British parents, expects to be at home next Sunday when Sky Darci and Sky Field participate in the Stewards' Cup (G1) and Centenary Sprint Cup (G1) respectively at Sha Tin, although no restrictions are in place for the meeting at present.

The trainer believes it is a "big task" taking on Hong Kong superstar Golden Sixty with Sky Darci in the Stewards' Cup but is optimistic about the quality of horse in his stable for the year ahead.

"I've got some nice horses for the year ahead that I'm excited about along with Sky Darci and Sky Field, who were brilliant last year," he said. "My aim this year is to try and win the Derby again and you have to aim high."
