## FISHMAN GUILTY IN PED CASE, FACES 20 YEARS IN PRISON

By Robert Gearty

Florida veterinarian Dr. Seth Fishman, the first person to face trial in a sweeping horse-doping case that documented the widespread use of illegal and undetectable performance-enhancing drugs at tracks across the country, was convicted in New York Feb. 2 on charges that could put him behind bars for 20 years.

A jury of eight women and four men in U.S. District Court in Manhattan found Fishman, 50, guilty of two counts of conspiring to violate adulteration and misbranding laws and the manufacture of PEDS administered to racehorses by corrupt trainers for money and fame.

Dr. Seth Fishman arrives Jan. 21 to the Daniel Patrick Moynihan United States Courthouse in New York

U.S. District Judge Mary Kay Vyskocil will sentence Fishman May 5.

Prosecutor Sarah Mortazavi told the judge prosecutors would

be seeking to detain Fishman pending sentencing.

## FISHMAN GUILTY IN PED CASE, FACES 20 YEARS IN PRISON

*(continued from page 4)*

The verdict came swiftly. Jurors got the case late Feb. 1 and deliberated for about three hours Tuesday and Wednesday. The trial began with jury selection Jan. 19 and lasted 11 days.

The jury rejected Fishman's defense that his actions were in keeping with his oath as a licensed veterinarian to protect the health and welfare of animals.

"I understand the jury has reached a verdict," Vyskocil said after the jury filed in the wood-paneled courtroom on the 26th floor of the courthouse.

The jury's foreperson then announced Fishman's guilt on each of the counts.

"I love animals. I love horses," one of the jurors, Victoria Lopez, a 61-year-old woman from The Bronx, said in an interview following the verdict. "What they were doing wasn't right."

"The jury's swift conviction of Seth Fishman reflects the overwhelming evidence of his guilt as displayed through this trial," New York U.S. Attorney Damian Williams said in a release issued from his office. "As an ostensible veterinarian—sworn to the care and protection of animals—Fishman cynically violated his oath in service of corrupt trainers and in the pursuit of profits."

Williams added, "Through the sale of untested, unsafe, and unstable drugs, Fishman's illegal drug business was a platform for both fraud and animal abuse. Today's conviction appropriately condemns the danger inherent in Fishman's crimes and underscores the seriousness with which this office takes the kind of abuse that Fishman practiced."

Stuart S. Janney III, chairman of The Jockey Club, also reacted to the verdict.

"I am pleased to see all of the effort and time spent by federal agents, prosecutors, and others who have worked so hard on this case be rewarded with a guilty verdict, and I thank them for their commitment," Janney said in a statement distributed by TJJC.

"It is highly encouraging to know that those who cheat and endanger our sport's athletes, both equine and human, face meaningful and life-changing punishments," he added. "Clearly, this verdict will serve as a deterrent to others, and it also provides

hope for those who want to see true change in the racing industry. This step forward, one of many recently, reflects our steadfast determination towards maintaining the highest levels of integrity and safety for racing's athletes and customers."

Fishman wasn't in the courtroom when the verdict was announced. Vyskocil hasn't said in open court where he is. A cryptic comment from Fishman's attorney to the judge led to speculation Fishman may be in a hospital.

Fishman had a co-defendant, Lisa Giannelli, at the start of the trial. She worked with Fishman for 18 years, and prosecutors accused her of being Fishman's drug distributor. On Jan. 24, Vyskocil declared a mistrial in her case after her attorney tested positive for COVID-19.

Nearly two years ago, Williams' office charged Fishman, six other veterinarians, 11 trainers, and nine others, identified as PED distributors, with conspiring to dope horses in New York, New Jersey, Florida, Ohio, Kentucky, and the United Arab Emirates.

The investigation began in 2018 and was headed by the Federal Bureau of Investigation and criminal investigators with the Food and Drug Administration.

At the time of the indictment, then-New York U.S. Attorney Geoffrey Berman said the case was "the most far-reaching prosecution of racehorse doping in the history of the U.S. Department of Justice."

At a March 2020 press conference announcing the indictments, FBI New York assistant director in charge William F. Sweeney Jr. said the doping conspiracy risked the health of horses administered PEDs.

"What happened to these horses amounted to nothing less than abuse," Sweeney said.

Those charged included top trainer Jason Servis, who federal prosecutors say juiced multi-millionaire Maximum Security, the first-place finisher in the 2019 Kentucky Derby Presented by Woodford Reserve (G1), who was demoted to 17th by stewards for interference with another horse in the race.

The accused also included Jorge Navarro, who was sentenced to five years in prison last year after pleading guilty to conspiracy. Prosecutors presented evidence at Fishman's trial showing that the trainer paid Fishman tens of thousands of dollars for PEDs, including a substance called BB3 that prosecutors say thickens a horse's blood to make it run faster and farther.

*(continued on page 7)*

## FISHMAN GUILTY IN PED CASE, FACES 20 YEARS IN PRISON

(continued from page 6)

Navarro is one of nine charged individuals who have pled guilty. Two others who were arrested entered into non-prosecution agreements with prosecutors.

The Fishman trial revealed that another of those accused, former harness trainer Ross Cohen, struck a deal with prosecutors to become a cooperating witness.

Servis and several others have pled not guilty and are awaiting trial. Prosecutors have said in court papers that they are in plea discussions with several defendants without naming them.

The Fishman verdict could have an impact on cases going forward.

The evidence against Fishman included witness testimony, emails and texts, and wiretap recordings that captured Fishman talking about doping horses, and bragging that his drugs wouldn't appear in post-race testing. Prosecutors also showed the jury thousands of vials of drugs seized from Fishman's Florida company Equestology.

Two of those witnesses were harness trainer Adrienne Hall and Thoroughbred trainer Jamen Davidovich. They testified they juiced their horses with PEDs obtained from Fishman. Hall testified under deferred prosecution agreement with the government. Davidovich's testimony came after he was granted immunity.

As part of their case, prosecutors also played for the jury video of Navarro's juiced X Y Jet winning the \$2.5 million Dubai Golden Shaheen Sponsored By Gulf News (G1) in Dubai in 2019. X Y Jet died of a heart attack a year later, Navarro said in a statement shortly after the incident.

"Thank you boss, (you're) a big part of it," Navarro said in a text exchange with Fishman just after the 2019 Golden Shaheen.

FASIG-TIPTON WINTER MIXED

## F-T WINTER MIXED SALE PUSHED BACK A DAY DUE TO FORECAST

By BloodHorse Staff

Due to the ice storm currently forecasted in the region around Lexington, Fasig-Tipton officials are pushing back the start date of next week's Kentucky Winter Mixed Sale to Feb. 8.

The two-day auction was originally scheduled to take place on Feb. 7-8, a Monday and Tuesday, but will now be held Feb. 8-9, a Tuesday and Wednesday.

Hips 1-300 will now be offered in the Tuesday session. Hips 301 through the supplemental catalog (which currently goes through Hip 606), will be offered on Wednesday. Both sessions will begin at 10 a.m. ET.

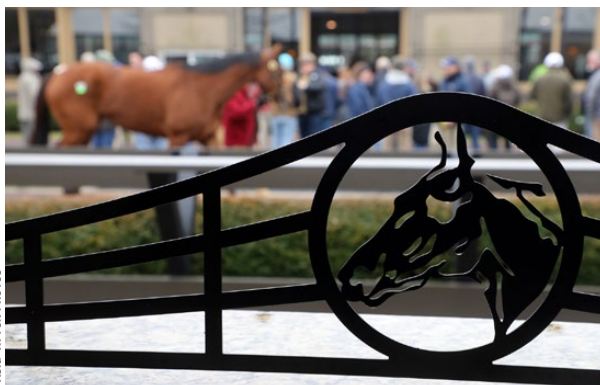

"Our area is currently under an ice storm warning from tomorrow morning through Friday morning, and in the interests of safety we have decided to push the sale back by one day," said Fasig-Tipton president and CEO Boyd Browning Jr. "This will ensure that horses and sale participants will have ample time to arrive on

the sales grounds and begin inspections when conditions are safe to do so."

On Jan. 31, Fasig-Tipton announced 35 additional supplements to the sale, including the stakes-placed Road to Romance (Hip 592), Smartly Agree (Hip 594), Regal Retort (Hip 598), and Taylor Avenue (Hip 599). Other

additions include Maggi O'Prado (Hip 597), a half sister to grade 1 winner Dream Tree, and Gypsy Angel (Hip 600), dam of stakes winner Mrs. Orb. **BH**

FASIG-TIPTON SANTA ANITA 2-YEAR-OLDS

## FASIG-TIPTON PUTS CALIFORNIA 2YO SALE ON HOLD FOR 2022

By Eric Mitchell

[@BH\\_EMitchell](#)

Fasig-Tipton is putting its 2-year-olds in training sale at Santa Anita Park on hold this year due to logistics and the limited supply of 2-year-olds in California.

"We are taking a year off," said Boyd Browning Jr., president of Fasig-Tipton. "The numbers make it impractical and there are challenges, such as not having dedicated stalls at Santa Anita. Some trainers had to be displaced last year."

Browning said Fasig-Tipton will hold its California Fall Yearlings Sale Sept. 27 as scheduled at the Fairplex sales grounds in Pomona. Last year, this sale also offered horses of all ages. The auction sold 165 yearlings for a gross of \$6,675,050 and a \$40,455 average. For all horse types offered—broodmares, racing prospects, and weanlings included—the sale sold 177 horses for a gross of \$6,933,550.

"We had a great yearling sale last year and were ecstatic with the results," Browning said. "We are very bullish about the California market with some new stallions coming in. As for the 2-year-olds, we still think it is an important spot in the market."

Following the end of Barretts Equine Sales' 28-year run conducting sales in California in 2018, Fasig-Tipton stepped in to hold its first 2-year-olds in training sale in 2019 at Santa Anita. The sale was conducted using four rows of temporary barns in the track's parking lot, near the seven-furlong chute.

This inaugural sale sold 69 juveniles for a gross of \$3,769,500 and averaged \$54,630.

The California 2-year-olds sale got shelved in 2020 due to restrictions associated with the COVID-19 pandemic and returned last year to sell 53 horses of the 68 on offer June 23 for gross receipts of \$2,981,000, an average price of \$56,245 and a median of \$50,000. Fifteen horses failed to meet their reserve.

The 2021 edition was topped by a Tiznow filly out of Soot Z (by Empire Maker) who worked in :10.3 at the under tack show held two days before she sold as Hip

36 with Pike Racing, agent. Spendthrift Farm scooped the juvenile up for \$250,000, the leading price of the sale by \$95,000. The filly was bred in Kentucky by Tolo Thoroughbreds and Art Tanaka.

As with any sale, there was solid demand for the horses attracting the most attention last year when eight horses sold for \$100,000 or more. By comparison, the inaugural sale of 2019 sold 10 horses for \$100,000 or more. The top of the 2021 market, however, was softer than in 2019. The top price at last year's sale landing at \$250,000 compared with 2019 when four horses sold for \$250,000 or more. The top seller in 2019 was a \$420,000 Bernardini filly named Eclair, who went on to become a stakes winner. **BH**

## VANLANGENDONCK SUCCEEDS O'FARRELL AS OBS BOARD CHAIRMAN

*By BloodHorse Staff*

**F**rancis Vanlangendonck became the fifth chairman of the board in the history of Ocala Breeders' Sales. Mike O'Farrell steps down after nearly 40 years as an OBS board member. George Onett was the first chairman in 1975, followed by Harry Mangurian Jr., Norman Casse, and O'Farrell.

Vanlangendonck operates Summerfield Sales with his wife, Barbara. Prior to being elected chairman, Vanlangendonck has been an OBS board member since 1990, became secretary/treasurer in 2005, and then vice president from 2007-21. Summerfield has been a perennial leading consignor at the OBS yearling and mixed sales. Last year, Summerfield ranked 15th nationally with yearling sales of nearly \$9 million. Their full-service farm includes a swimming pond for rehabilitation and to prep and condition yearlings.

O'Farrell was elected to the OBS board in 1983, was vice president from 1986-2006, and chairman since 2007 before stepping down this year. The O'Farrell family's Ocala Stud has been a mainstay in Ocala since 1956 with Mike and his two sons, David and Joe, now directing operations. Ocala Stud is synonymous with the Florida breeding industry and OBS. His father, Joe O'Farrell, was a true promoter of Florida breeding and pioneer of the 2-year-old

in training sales concept. He was one of the founding members of OBS in 1974 and the first vice president of OBS.

Barry Eisaman was elected vice president of the OBS board. Eisaman, a veterinarian, has been secretary/treasurer of OBS since 2010 and was first elected to the OBS board in 1996. Along with his wife, Shari, Eisaman operates Eisaman Equine which is a constant presence and leading consignor at the OBS 2-year-old in training sales. Many of the top racing stables in the country rely on Eisaman Equine to provide the foundation for their young horses for their racing career and to rehabilitate older horses for their return to the races.

Mark Casse was elected secretary/treasurer. He and his wife, Tina, manage the vast Casse Racing operations from their base in Ocala. He has been an OBS board member since 2001 and his father, Norman, was a founding member of OBS and chairman of the board of OBS for over 20 years. Mark has won more than 3,200 races as trainer with career earnings approaching \$200 million. He has been inducted into the National Museum of Racing and Hall of Fame and Canadian Horse Racing Hall of Fame.

Joining the OBS board for the first time are David O'Farrell (Ocala Stud) and Paul Sharp (Paul Sharp Stables). The rest of the board includes Tom Ventura (president), Carl Bowling, Nick de Meric (de Meric Sales), Jimbo Gladwell (Top Line Sales), Jesse Hoppel (Coastal Equine), John Penn (Pennston Farm), Bryan Rice (Woodside Ranch), and Eddie Woods. **BH**

# MULTIPLE STAKES PRODUCER BLENDING ELEMENT DIES AT 29

By Tracy Gantz

Graded stakes winner Blending Element died at age 29 Jan. 27 at Sheltowee Farm in Midway, Ky.

The mare, whose five stakes winners include current California sire Texas Ryano, has been one of the foundation broodmares of the Williamson family. Raced in this country by the late Warren Williamson, Blending Element produced 12 foals, all bred by Williamson or in the name of Williamson Racing, operated by Williamson and his son Henry.

"We are all very sad," said Henry Williamson. "But she lived a long and productive life, both as a graded stakes winner and mom to multiple stakes winners, including our stallion Texas Ryano."

Bred by E.J. Loder, Blending Element was by Great Commotion—Blue Wedding, by Irish River. She began her racing career in her native Ireland. Trained in the U.S. by Carla Gaines, Blending Element won the 1999

Yerba Buena Breeders' Cup Handicap (G3T) and The Very One Handicap, and the 1998 Reloy Handicap. She placed in five other stakes and earned \$448,483.

Blending Element did even better as a broodmare. In addition to 2016 Hollywood Turf Cup (G2T) winner Texas Ryano, she produced Tiz Elemental, whose three

stakes victories included the 2008 Las Flores Handicap (G3); Excessive Blend, a multiple stakes winner and champion California-bred 3-year-old female of 2009; stakes winners Tiz a Blend and Holladay Road; and graded stakes-placed War Element and American Blend.

Most of Blending Element's offspring raced for the Williamsons. Henry Williamson stands Texas Ryano at his Arroyo Vista Farm near Valley Center, Calif., and owns Ultimate Blend, a 7-year-old daughter of Tiznow—

Blending Element. Ultimate Blend's first foal is a yearling colt by Omaha Beach. She is in foal to Goldencents, and Williamson said he plans to breed her to Mo Forza. **BH**

Horses break from the gate at Canterbury Park

## CANTERBURY TO OFFER INCENTIVES TO RACE-READY HORSES

*By BloodHorse Staff*

Canterbury Park racing officials announced Feb. 2 several incentive programs designed to reward owners of Thoroughbreds that arrive in Shakopee, Minn., ready to enter and run when the meet begins May 18. Notably, a \$1,000 bonus will be paid to the owner of any horse that races during the month of May. This bonus is in addition to any purse money earned.

The bonuses are made possible with the cooperation of the Minnesota Horsemen's Benevolent and Protective Association, the organization which represents racehorse owners, trainers, and their employees. In addition, a travel loan program will again be offered to assist with the up-front expenses of shipping a stable to Canterbury Park. Both of these programs were successfully offered last season.

"Canterbury Park and the Minnesota HBPA understand the costs associated with shipping horses from across the country to Minnesota," senior vice president of racing operations Andrew Offerman said. "We hope these incentives assist in offsetting the transportation costs that we know can be an impediment to shipping a stable to Minnesota."

Average field size in May of 2021 exceeded the overall meet average by more than one-half a horse per race and average all-sources daily handle during that time was up more than 15% compared to the remainder of the 2021 meet, two factors that encouraged officials to continue the bonus program. The participation incentive will be paid for each start a Thoroughbred

makes in an overnight race during the month of May and is in addition to their regular purse earnings.

New this season is a bonus program designed to encourage owners who raced horses in Illinois during 2021 or 2022 to race at Canterbury this season. With the closure of Arlington International Racecourse in suburban Chicago, a meet which has historically overlapped with Canterbury Park's season, and Hawthorne Race Course in Cicero, Ill., racing Thoroughbreds only through June 25, Canterbury officials see an opportunity to attract new stables needing a summer venue.

"We understand that owners and trainers who have historically called Arlington home are faced with challenging decisions in 2022," Offerman said. "We respect that all horsepersons need to make the best decision for their stable and we have a desire to keep these horses within the Midwest. Canterbury Park is a great option for them to consider."

To encourage participation, Canterbury and the Minnesota HBPA are offering an incentive that will allow owners with horses that have been previously active in Illinois to receive an additional bonus for racing in Minnesota for either the entire summer or following the Hawthorne spring/summer meet. A Thoroughbred starter that raced in Illinois in 2021 or 2022 but has not previously started at Canterbury will be eligible for a \$1,000 bonus in their first start of the 2022 season through July 17. Eligible horses need to have recorded at least one start at Arlington, Hawthorne, or Fairmount Park from Jan. 1, 2021, through May 17, 2022. This incentive will be in addition to the \$1,000 participation bonus offered throughout May.

Shipping loan applications will be due with stall applications April 4. Applications will be reviewed by the stall application committee with up to \$25,000 per owner, or a maximum of \$1,500 per horse, to assist in covering the cost of horse transportation. The loan will be repaid through an agreement between the successful applicant and Canterbury Park. All information, full conditions, and loan applications specific to these programs, as well as the first condition book and stall application, can be found at [www.canterburypark.com/horsemen](http://www.canterburypark.com/horsemen).

Canterbury's 65-day season runs from May 18 through Sept. 17. Racing will be conducted on Wednesdays, Thursdays, and Saturdays at 5 p.m. CT and Sundays at 1 p.m. **BH**

# QUEEN GODDESS TAKES ON LOCAL STANDOUTS IN BAYAKOA

By Molly Rollins

[@BH\\_MRollins](#)

California invader Queen Goddess, winner of the off-the-turf Dec. 26 American Oaks (G1) at Santa Anita Park, takes on a pair of two formidable Oaklawn Park stakes winners in Coach and Mariah's Princess in the Feb. 5 \$250,000 Bayakoa Stakes (G3) for older fillies and mares going 1 1/16 miles.

Eclipse Thoroughbred Partners and TOLO Thoroughbreds' Queen Goddess had never run on the dirt before her breakthrough black-type success in the American Oaks. Breaking on top in the American Oaks, the daughter of Empire Maker grew wings over the main track, dictating the pace throughout and surging clear to a 2 3/4-length score. She earned a stout 107 Equibase Speed Figure for the effort.

Queen Goddess won't be able to skate away so easily from her rivals in the Bayakoa, as the opposing Mariah's Princess and Miss Bigly also flash consistent early speed.

Trained by Michael McCarthy, Queen Goddess will be piloted by jockey David Cabrera. While she ran without Lasix in the American Oaks, she will compete with Lasix in Saturday's race.

Coach and Mariah's Princess are each exiting stylish victories over the Hot Springs, Ark., oval. Kueber Racing's Coach splashed to the wire a three-length winner of the Jan. 8 Pippin Stakes, acing her second consecutive win since returning from a near eight-month layoff for trainer Brad Cox.

Rigney Racing's Mariah's Princess, like Coach, is another that has notched two straight wins since a lengthy hiatus from the races. The Phil Bauer trainee cruised by 6 1/4 lengths in a Nov. 4 Churchill Downs allowance contest before rolling to a three-length tally in the Dec. 4 Mistletoe Stakes on opening weekend at Oaklawn. **BH**

# GET SMOKIN, LADY SPEIGHTSPEARE HEAD TAMPA TURF STAKES

By BloodHorse Staff

Tampa Bay Downs' "Turf Champions Day" will have a pair of talented turf runners to headline their two 1 1/16-mile stakes Feb. 5. Defending winner Get Smokin returns in the \$175,000 Tampa Bay Stakes (G3T) for older horses, while grade 1 winner Lady Speightspeare makes her Tampa debut in the \$175,000 Endeavour Stakes (G3T) for older fillies and mares.

Ironhorse Racing Stable, BlackRidge Stables, T-N-T Equine Holdings, and Saratoga Seven Racing Partners' Get Smokin will be making his first start since June, when he was fifth in the Poker Stakes (G3T) at Belmont Park. Previously trained by Tom Bush for the Mary Abeel Sullivan Revocable Trust, Get Smokin also won the 2021 Seek Again Stakes at Belmont and the year before captured the Hill Prince Stakes (G2T) there. The front-running Get Stormy gelding is now trained by Hall of Famer Mark Casse.

South Florida-based trainer Chad Brown will be sending two horses for the Tampa Bay Stakes: Madaket Stables, Wonder Stables, and Robert LaPenta's 5-year-old gelding L'Imperator and Michael Dubb, Sanford Goldfarb, and Samuel Abraham's 8-year-old gelding Devamani. The latter is also making his first start since June when he captured the Monmouth Stakes (G3T) at Monmouth Park.

Get Smokin wins the 2021 Tampa Bay Stakes at Tampa Bay Downs

Trainer Arnaud Delacour will saddle last year's Tampa Bay Stakes runner-up Eons as well as last year's fourth-place finisher Talk Or Listen.

The field also includes the Calumet Farm-owned and -bred stakes winners Cellist and English Bee and Jan. 8 Tropical Turf Stakes (G3T) winner Clear Vision.

The Tampa Bay drew a full field of 12, along with one also-eligible.

Brown, who is bidding for his first Tampa Bay Stakes trophy, has two entrants in search of his fourth Endeavour victory. Both of his 4-year-old fillies, Bleecker Street and In Italian, are owned by Peter Brant. Bleecker Street is a perfect 3-for-3 and will be contesting her first stakes race, and In Italian is 2-for-3 while also making her stakes debut.

They could have their hands full with Charles Fipke's 4-year-old Lady Speightspeare, who is 4-for-5 for trainer Roger Attfield, including the 2020 Natalma Stakes (G1T) at Woodbine. Most recently she was third in the Dec. 26 Tropical Park Oaks at Gulfstream Park.

Trainer Graham Motion will bid for his third Endeavour victory with Gainesway Stable's 4-year-old Oyster Box, who was third in last year's Florida Oaks (G3T) at Tampa.

# NEARLY \$1 MILLION UP FOR GRABS ON LOUISIANA PREMIER DAY

By BloodHorse Staff

Delta Downs will host its richest race program of the season Feb. 5 when the track will award \$933,000 in total purse money throughout 11 races, 10 of them stakes or starter stakes, all for Louisiana-bred horses. The event is called Louisiana Premier Day, and this year marks the 19th renewal of the event which will kick off with a special first post time of 12 noon CT.

The featured race on the card will be the \$150,000 Louisiana Premier Day Championship for older horses competing at 1 1/16 miles, which will be the 10th race on the program. This year's Championship attracted a full field of 12, which includes two also eligible runners.

The lukewarm 3-1 morning-line favorite for Saturday's feature is Keith Plaisance's Langs Day, who won the Gold Cup Stakes at Delta Downs Oct. 30 impressively before finishing a hard-closing second in a tough allowance race Jan. 12.

The Championship field also includes Kendel D. Standlee's Izzy's Baby Boy (5-1), who most recently won a dramatic B-Connected Stakes on New Year's Day; Robert Asaro Enterprises' Maga Man (8-1), who comes into the event with the highest career earnings mark of \$289,480; and the Sam B. David Jr. trainee Jax Man (6-1), who ran second in the B-Connected for owners Alston Thoroughbreds, E. and K. Hernandez, and J. Duvielh.

The \$100,000 Louisiana Premier Day Matron is headed by P. Dale Ladner's grade 2 winner Cilla. The Brett Brinkman trainee and daughter of the great California Chrome is the solid 6-5 favorite as she goes for her seventh career win and attempts to add to her lofty \$416,000 bankroll.

Another race that will get plenty of attention will be the \$100,000 Louisiana Premier Day Starlet. The one-mile event will be a rematch between 5-2 morning line favorite Free Like a Girl and Buckley Bunny.

Langs Day wins the 2021 Gold Cup Stakes at Delta Downs

Delta Downs will offer the DRF Bets \$50,000 Guaranteed All Stakes Pick 4 wager on the Louisiana Premier Day program. The special wager will take place on race 8-11, which includes the afternoon's richest race, the Louisiana Premier Day Championship serving as the penultimate leg. The special wager will also include an ultra-low takeout of just 12%.

The Louisiana Thoroughbred Breeders Association will be awarding two \$1,000 college scholarships via a drawing that will take place on Louisiana Premier Day.

Entries for the LTBA drawing will be taken at a designated booth between 11 a.m. and noon. Winners will be announced after the fifth race and will have to be present to win when the announcement is made from the winner's circle. To qualify for the drawing, entrants must be enrolled full-time for spring or summer 2022 classes and in good standing with their Louisiana college or university. **BH**

### TATTERSALLS FEBRUARY SALE BEGINS FEB. 3

*By Kitty Trice/Racing Post*

The two-day Tattersalls February Sale gets underway Feb. 3 beginning at 11 a.m. and will offer plenty of variety for buyers, including yearlings, 2-year-olds, horses in training, and broodmares. Also taking place on Thursday, before the sale in the parade ring, is the Thoroughbred Breeders' Association's flat stallion parade. Here we take a look at some of the lots to follow over the course of the two days, with emphasis on the diversity available.

#### **The Yearling**

Barton Sales offers the sole yearling by Lanwades Stud sire Sea The Moon at the sale, a chestnut colt (Lot 96) out of the well-related winner Come Touch the Sun.

The Fusaichi Pegasus mare has produced two winners from four runners. She is out of an unraced sister to Dimitrova One Thousand Guineas Trial Stakes (G3) winner Kamarinskaya in the shape of the influential Butterfly Cove.

Butterfly Cove is the dam of Total Prix Marcel Boussac-Criterium des Pouliches (G1) winner Ballydoyle, the stakes-winning group 3-placed Twirl and, most significantly, champion 2-year-old filly Misty For Me, in turn the dam of multiple group 1 winners

Roly Poly and U S Navy Flag, the latter now ensconced at Coolmore and who has his first runners this term.

#### **The 2-Year-Old**

The trimming of Shadwell's worldwide operation in the wake of Hamdan Al Maktoum's death last year continues at this sale, and there are a number of 2-year-olds on offer that in different circumstances would most likely not have been.

One such individual is the New England Stud-consigned Sea The Stars colt out of the high-class Teofilo mare Tarfasha (Lot 80). The April-born bay is out of a dam who won the Moyglare Jewels Blandford Stakes (G2) and was also second to fellow Shadwell filly Taghrooda in the Investec Oaks (G1) at Epsom.

The 11-year-old has produced a brother to this lot in Rakan, who struck in the listed King George V Cup for the Dermot Weld yard, as well as another black-type performer in Dubawi colt Wuqood, who was a close second in the Eyrefield Stakes (G3) for the same connections.

Further back on the page are the likes of Artemis Goodwood Cup (G2) winner and Gold Cup (G1) third Saddler's Rock, Grand Prix de Saint-Cloud (G1) winner Gamut, E. P. Taylor Stakes (G1T) winner Tannery, and CIGA Prix du Cadran (G1) scorer Sought Out.

*(continued on page 20)*

## TATTERSALLS FEBRUARY SALE BEGINS FEB. 3

(continued from page 19)

### The Horse In Training

Darwell Lion (Lot 354) arrives at Park Paddocks in a rich vein of form, having recorded a personal best at Lingfield late last month for David O'Meara.

The son of The Last Lion won on his sole start at 2 for Ellmarie Holden, before being switched to O'Meara's yard after two further runs without success for Holden.

Now 4, the Michael O'Mahony-bred colt won on his first start for the North Yorkshire-based trainer in a class 4 handicap at Wolverhampton in December and two close thirds were followed by a three-and-a-half length strike at Lingfield.

A lightly raced and progressive sort, Darwell Lion is a half brother to last season's unbeaten Jebel Ali Racecourse And Stables Anglesey Stakes (G3) winner Beauty Inspire. He looks a tempting proposition for any buyer seeking an improving performer on the track.

### The Broodmare

Another consigned by Barton Sales, Realism (Lot 116) is a young mare with a promising future. She has a 3-year-old Lope de Vega colt in training and youngsters by Frankel and Too Darn Hot waiting in the wings.

Placed twice in the U.S. during a short career for the Bill Mott barn, the daughter of First Defence is a half sister to the multiple grade 1 winner Emollient—dam of the group 2-placed Peace Charter and the exciting Raclette—as well as the grade 1-placed Hofburg and the stakes-winning Courtier.

Realism has been covered by Make Believe, while the pedigree could be further enhanced by the likes of Deauville and Chantilly winner Raclette, who is on the Classic trail this year for Juddmonte and Andre Fabre.

### The Wildcard

The unbeaten White Marlin (Lot 375A) headlines four wildcards for the sale and the dual-winning son of the late Mastercraftsman should have plenty of admirers as he takes to the

sales ring in Newmarket.

Consigned by Ronald Rauscher on behalf of

Joseph O'Brien, White Marlin was a head winner of a maiden at Dundalk in December and followed up in a handicap there in the middle of last month.

The gelding has an attractive pedigree too, being a half brother to last season's Derrinstown Stud Flying Five (G1) winner Romantic Proposal, while their dam is a winning half sister to the prolific group 1 winner Toylsome.

## SCOTTISH TRACKS LOOK FORWARD TO RETURN OF CROWDS

By David Carr/Racing Post

Racegoers are finally free to return to Scottish courses Feb. 3 following the end of COVID-19 restrictions that have in effect barred paying spectators since before Christmas.

Kelso expects a "quiet start" for its meeting after first minister Nicola Sturgeon lifted the ban of more than 500 people attending outdoor events, but Musselburgh is hoping for 2,000-3,000 people for its Festival Trials meeting this weekend.

The track's popular New Year's Day meeting was held behind closed doors and general manager Bill Farnsworth said: "New Year's Day was a complete disaster, it was the worst thing that's happened during COVID for us. We were virtually sold out before Christmas; with the weather forecast we'd probably have released another 1,000 or 2,000 tickets so we would have had a record crowd for a jumps fixture at Musselburgh.

"Everything was aligned, the weather was fantastic, and we ended up behind closed doors. It was really difficult to stomach. But we've put that beyond us and we're very much looking forward to getting crowds back."

He added: "It's difficult to forecast a crowd as people are generally booking a lot later—the lockdown caught people by surprise and they're now reluctant to buy tickets until they know for certain there isn't going to be another one.

"We can't compare it to other years and it's a difficult time of year to get a crowd but we'd like to

think we'll get between 2,000 and 3,000 on Saturday, when we're up against 60,000 people watching Scotland playing England at Murrayfield. We're doing our best to get as many people in as possible but we're just happy to have the public in."

Managing director Jonathan Garratt is looking forward to the return of a proper crowd at Kelso, whose last meeting came just a day before the restrictions were removed.

"We had our annual members in for the two meetings we've had since Christmas and I think they enjoyed the extra space but you do miss the added atmosphere of having a larger crowd," he said.

"It's going to be a quiet start for us. We wouldn't expect a flood of racegoers through the turnstiles for a Thursday at the beginning of February. And during the period when we were in a form of lockdown nobody was booking for this meeting. But we've had a few inquiries and I'm sure people will come and enjoy the day.

"The days that are selling terrifically well are the March Saturdays—Morebattle Hurdle day and the Go North weekend—those are the fixtures that seem to have attracted the attention and that people are really looking forward to."

Scottish trainer Nick Alexander has seven runners on the Kelso card and said: "It will be great to have a crowd tomorrow. It was a disappointing spell, particularly around new year when some very good meetings had no crowds."
