## RECORDS SHATTERED AT SARATOGA SELECT YEARLING SALE

By Olivia Newman

✂ @newmanolivia3

A head of Fasig-Tipton's select yearling sale in Saratoga Springs, N.Y., Aug. 5-6, auction house president and CEO Boyd Browning Jr. was confident his team had assembled one of the highest-quality catalogs ever. His confidence was rewarded when The Saratoga Sale set records for gross sales and average, exceeding last year's records by 9.5%.

Browning was quick to credit his team for the record-breaking success of this week's sale.

"Thank goodness when you've got a team that's unbelievable. They're the unsung heroes, like the backside workers," he said. "They don't get any damn credit. It's not easy, it's a thankless job, but

it's the combination of everybody that wears a red shirt. It's a shared responsibility, it's a shared effort and the shared desire to do a great job."

**WATCH: \$2.4M Into Mischief Colt Tops Session 2 at F-T Saratoga**

Helping set the records were 12 horses that sold for \$1 million or more during the two sessions. After the last horse walked out of the ring, gross sales totaled \$82,160,000 and the average settled at \$533,506 from 154 sold.

The second session was the stronger one with gross sales of \$41,900,000 for 73 horses sold from 92 offered and an average of \$573,973. The RNA rate for the entire sale was 19%.

An Into Mischief colt (Hip 183) consigned by Lane's End sold for \$2.4 million during the Tuesday session to agent Marette Farrell on behalf of Speedway Stable to top the session and be the sale's second-highest-priced yearling overall.

Bred by Marty and Pam Wygod and consigned by Lane's End on behalf of the Wygod family, Hip 183 nearly exited the ring for \$2 million, but buyers

re-engaged and carried the price much higher. The colt was tough to let go as a foal out of stakes-placed winner Sweet Sting (Awesome Again), who is out of multiple grade 1 winner and 2000 champion grass mare Perfect Sting.

"We were on our absolute last bid a couple of times," said Farrell, who signed the ticket for the bay colt for Speedway's owners Peter Fluor and K.C. Weiner.

Farrell said partner Zoe Cadman elbowed her to bid again as the bidding war came near an end.

"We absolutely loved this colt, I felt he commanded the room, as they say," she said. "We love all the connections, and we love to honor Marty Wygod. He was such a big supporter of our Thoroughbred business and so successful."

Farrell said she sees Hip 183 as a "stallion in the making."

"I cannot thank Peter and K.C. enough. I'm still shaking because I loved this horse, but I really had hoped I wouldn't have to go to this amount of money, and they knew that we loved the horse. I hope he's a lucky horse, I hope he's a good horse. They deserve this, and so does the horse. I really think he's a fabulous horse."

Marty Wygod, who died April 12, was a well-known breeder and owner. He and Pam bred many stakes winners, including 2004 Eclipse 2-year-old champion

filly Sweet Catomine and multiple grade 1 winner Life Is Sweet, both out of their homebred mare Sweet Life.

"We bought the mare at the beginning of Covid and my dad picked her out, and he liked the pedigree. We were all house bound," said Emily Bushnell, Marty and Pam's daughter. "She's still kind of new to our broodmare band, we have a 2-year-old that we love, it's a full brother, so hopefully this one will be just as nice."

Lane's End sold both of its offerings Aug. 6 for seven figures. The consignment also sold Hip 146, a colt by Gun Runner, for \$1.9 million to M.V. Magnier and Peter Brant's White Birch Farm.

WATCH: Relive a Record Breaking F-T Saratoga Sale

"It's been a super healthy market for us," said Allaire Ryan of Lane's End. "We try to bring quality individuals here across the spectrum. We want nice individuals that are going to show themselves well and be good representations for the breeder and for us, and we've been really well rewarded for it."

Resolute Racing's John Stewart was the leading buyer for the second night in a row, buying six yearlings for a total of \$3,660,000. Over the two nights, Stewart spent \$9,085,000 for 11 yearlings.

Browning, along with multiple buyers, commented on the fierce competitiveness at this sale, which they felt reflected the quality of horses that were on the sales grounds.

"We're thrilled with the results; there was depth in the buying bench," said Browning. "We also saw some new faces who hadn't purchased here before, who were major, major contributors to the sale, but we also saw some of those groups that they thought might be dominant bid and get outbid on a number of hips also, which is healthy."

Magnier and White Birch Farm teamed up to buy the second-highest-priced horse of the Tuesday session at \$1.9 million—the aforementioned Hip 146, a colt by Gun Runner out of the Tapit mare Secret Sigh. The same team has had success with colts by Gun Runner before in Sierra Leone, winner of this year's Blue Grass Stakes (G1) and runner-up in the Kentucky Derby (G1).

Gainesway was the leading consignor of the Saratoga sale, selling all 19 of its yearlings offered. They produced an average of \$670,526, with gross sales of \$12,740,000.

The sales action continues Aug. 11-12 in Saratoga Springs for Fasig-Tipton's New York-Bred Sale. The

### GUN RUNNER STRIKES AGAIN, COLT SELLS FOR \$1.9M

By Olivia Newman

✂ @newmanolivia3

Coolmore's M.V. Magnier and Peter Brant's White Birch Farm gave Gun Runner his second seven-figure yearling Aug. 6 during Fasig-Tipton's The Saratoga Sale second session. Lane's End consigned the colt (Hip 146), named Paladin, on behalf of breeder Summer Wind Equine.

Summer Wind Equine bred the colt out of Secret Sigh, a daughter of grade 2 winner and grade 1 producer India, the dam of 2018 Yasuda Kinen (G1) winner Mozu Ascot and stakes winner Kareena.

Magnier and Brant are hoping lightning strikes twice with Hip 146. They bought Sierra Leone, winner of the Blue Grass Stakes (G1) and runner-up in the Kentucky Derby (G1) at this sale two years ago.

(continued from page 14)

Gun Runner, an 11-year-old son of Candy Ride, is a dual Eclipse champion and a new inductee into the Hall of Fame. He has sired 11 grade 1 winners and 13 millionaires. Some of his other top progeny this year include Derby City Distaff Stakes (G1) winner Vahva and Gun Pilot, winner of the Churchill Downs Stakes (G1).

"It's all about a classic horse, it's all about a mile, a mile and a quarter. That's the way we see it in Europe as well," said Magnier. "It's all about the Kentucky Derby, that's what all these guys want to try and win. Derrick Smith, ever since Sierra Leone got beat in the Derby, that's all he wants to do."

Magnier said the plan at the moment was to send the chestnut colt to Chad Brown, but for now will send him to Ashford Stud near Versailles, Ky.

"Honestly, he (Hip 146) surpassed our expectations," said Allaire Ryan of Lane's End. "We knew that we had a top-quality horse here, but it's impossible to predict what they'll actually bring at a sale like this."

"You can't help but be thrilled for both the seller and the buyer in a situation like this, it's an exciting opportunity. (Summer Wind's) Jane Lyon, who has put so much into her broodmare band and her breeding operation, to end up in the hands of Coolmore and Peter Brant, it's just a dream, right?"

Ryan said the market was strong throughout the two-day sale.

"I think we've been the busiest we've ever been in Saratoga before, and that has to be a reflection of the sale company's efforts and the consignors' efforts, too," she said. "If you have physical quality to offer, you're going to be rewarded for it. That's just how it feels out there." **BH**

## GUN RUNNER FILLY HITS EARLY FOR \$1.5M AT SARATOGA SALE

By Teresa Genaro

✂ @BklynBckstretch

The second horse through the ring the second night of Fasig-Tipton's The Saratoga Sale Aug. 6 broke the seven-figure threshold, selling to Mandy Pope's Whisper Hill Farm for \$1.5 million from the Gainesway consignment.

Hip 123 is a chestnut filly by Gun Runner, out of the multiple grade 1-winning mare Pure Clan (Pure Prize), who retired with earnings just shy of \$2 million. Bred by Three Chimneys Farm, which stands Gun Runner for a private fee, Hip 123 is a half sister to the multiple graded stakes-placed Princesa Carolina (Tapit), who was bred and raced by Three Chimneys.

FASIG-TIPTON PHOTOS

"Obviously, her mare was a great race mare, and we're hoping she inherits those genes," said Pope, after backing away in mock terror when a phalanx of reporters surrounded her after the hammer dropped. "The family is a young one with some half sisters

that will hopefully go on to produce. This filly is gorgeous, big, strong, and sensible from what we could see."

The owner of perhaps the most prodigious broodmare band in the country, Pope seldom hesitates to offer top dollar for fillies and mares to add to her Whisper Hill Farm, but even she has been daunted by the level of competition at the sale.

"We paid exactly what we thought we'd have to pay," she said. "It's extremely difficult to buy here. We got outbid quite a bit yesterday, but you have to value them and stick to your guns." **BH**

### RESOLUTE GOES TO \$1.2M FOR GHOSTZAPPER FILLY

By Teresa Genaro

X @BklynBckstretch

John Stewart's Resolute Bloodstock got its third seven-figure yearling at Fasig-Tipton's The Saratoga Sale, going to \$1.2 million for a Ghostzapper filly (Hip 147) consigned by Gainesway during the Aug. 6 second session.

Payson Stud bred the filly out of the Arch winner Seeking the Blue, who has already produced graded stakes-placed winner Janis Joplin (California Chrome) and stakes-placed winner Vino Rouge (Vino Rosso) from three foals to race.

Stewart hasn't hesitated to dive right into buying at his first Saratoga sale, spending \$5,425,000 for five yearlings during the first session.

Known for his speed running both short and long, Ghostzapper (Awesome Again) earned \$3.4 million mainly on the strength of wins in the 2004 Breeders' Cup Classic, 2005 Metropolitan Handicap, 2004 Woodward Stakes, and 2003 Vosburgh Stakes (all G1). He stood the 2024 breeding season at Hill 'n' Dale at Xalapa in Kentucky for \$75,000.

Stewart has built up a prodigious racing stable in less than a year, procuring more than 150 horses since last fall. He came into the sale saying that there were half a dozen horses that he would "definitely be taking home," and this Ghostzapper filly was one of them.

"I wanted this horse 100%," he said. "I went back to see her today and I told Brian (Graves, Gainesway's general manager) that she was going home with me.

"Especially when (Mike) Repole bid, I was going to keep going. The moment he bid, I jumped the bid by \$200,000. I wanted the horse, and she is one of two horses I came here tonight to buy."

Repole and Stewart have established a rivalry online, and apparently in the sales ring, since Stewart became involved in racing. Earlier this week, Repole quipped that his goal at this sale was to be the underbidder on all of Stewart's purchases.

Even Stewart, though, has been taken aback at the prices at this sale.

"I bid up a filly yesterday to \$1.7 million, and I had two more bidders. I was like, 'What the hell is going on?'"

Despite his short tenure as an owner, Stewart's plan is to build a breeding operation and develop families.

"We really like Ghostzapper and how he matches up with our breeding program," he said. "She fits right into that. We got Goodnight Olive (also by Ghostzapper) in foal with a Not This Time colt, which is really exciting after what Not This Time has done here. It's helping us build the families. And then from a racing standpoint, we think there is some speed in that horse and has a good physical. We've already got some trainers lined up for her. So we are pretty excited."

Resolute Bloodstock purchased five other yearlings Tuesday night: Hip 175 (Twirling Candy colt, \$800,000), Hip 199 (Into Mischief colt, \$700,000), Hip 178 (Omaha Beach filly, \$500,000), Hip 223 (Curlin colt, \$260,000), and Hip 180 (Authentic colt, \$200,000).

In his two-day buying spree at Saratoga, Stewart's purchases grossed \$9,085,000. **BH**

### JUSTIFY JOINS SEVEN-FIGURE CLUB WITH \$1M COLT

By Pete Denk

X @petedenk

Godolphin gave Ashford Stud's Triple Crown winner Justify his first 2024 seven-figure yearling at Fasig-Tipton's The Saratoga Sale Aug. 6, going to \$1 million for a colt out of stakes producer Dolce Lemone.

Godolphin secured the colt consigned as Hip 174 via phone bidding. Hunter Valley Farm consigned the colt bred on a foal share between Don Alberto and the Justify Syndicate.

"Justify is the man of the hour, so we were grateful to have this colt up here," said Reed Ringler, chief operating officer of Don Alberto's American operations. "Fergus Galvin and Adrian Regan at Hunter Valley are a great team, and we appreciate all their hard work. This colt was a great mover who has gotten better every day at the farm, and we are thrilled that he goes to Godolphin."

Dolce Lemone is the dam of six foals of racing age, including the Scat Daddy mare Dolce Lili, a stakes winner and earner of \$253,125. Don Alberto purchased Dolce Lemone for \$190,000 at the 2013 Keeneland November Breeding Stock Sale just a month after the Chilean conglomerate announced its American presence with the purchase of the major Central Kentucky farm Vinery.

FASIG-TIPTON PHOTO

Reed Ringler, chief operating officer of Don Alberto's American operations, at the F-T Saratoga Sale

Dolce Lemone is a half to 2011 Canadian broodmare of the year Noble Strike (Smart Strike), dam of Inglorious (Hennessy), who was 2011 champion 3-year-old filly in Canada after winning the Queen's Plate and Woodbine Oaks, and grade 3 winner and 2012 Prince of Wales Stakes winner Dixie Strike (Dixie Union).

Hunter Valley's Regan said Hip 174 sported a strong combination of sire power and athleticism.

"At the moment, Justify is probably viewed as the best stallion in the world," Regan said. "That fellow was extremely racy-looking, very athletic, and it's not a shock these days that Godolphin wants to buy Justifys with the success they've had with them."

"I'm very grateful for Godolphin for buying him and wish them the best of luck. We have to thank all the team at Don Alberto for producing him the way they did. He looked fantastic."

Don Alberto [brought five yearlings](#) to the Saratoga Sale and sold four for an average price of \$1,225,000. At the Aug. 5 first session, the farm had [two yearlings sell for seven figures](#) within minutes of each other.

Ringler said it was an incredible result and a testament to what Don Alberto's Liliana Solari, her son Carlos Heller, and the entire Kentucky team have built.

"It was a tremendous sale, and we were blessed to be here," Ringler said. **BH**

## GRANDVIEW EQUINE GOES TO \$1M FOR INTO MISCHIEF COLT

By Teresa Genaro

X @BklynBckstretch

Grandview Equine, managed by Robert Clay, bought an Into Mischief colt (Hip 201) for \$1 million during the second session Aug. 6 of Fasig-Tipton's The Saratoga Sale. The colt was bred in Kentucky by Hubert Vester and is the first foal out of the Medaglia d'Oro daughter Validest.

Indian Creek consigned the colt, whose dam is a half sister to multiple graded stakes winner Global View (Galileo). The immediate family also included multiple graded stakes winner A. P. Warrior.

Hip 201 became Clay's second purchase at the Saratoga Sale, having bought a \$500,000 Twirling Candy colt (Hip 49) out of Frank's Folly (Mineshaft) from the consignment of Lane's End during Monday's session.

"I've been out here swinging for the fences, and I finally got one," said Clay.

"I love everything about him," he said of the Into Mischief colt. "We'll break him, see how good he is, send him to a good trainer, and hope for the best."

Hip 201 was one of a dozen that brought seven figures over the two nights of the sale and the third seven-figure sale by Into Mischief. Clay was one of a number of buyers that commented on the difficulty of taking a horse home.

"I've never seen so many people at this sale," he said. "Given that, I'm not surprised at the prices, and I feel lucky to get out of here with another one." BH

### COMPLEXITY SHARE BRINGS \$510,000 AT SARATOGA SALE

By Pete Denk

X @petedenk

The first offering on night two of Fasig-Tipton's The Saratoga Sale Aug. 6 saw bloodstock agent David Lanigan, bidding on behalf of Heider Family Stables, go to \$510,000 for a 2.5% share in leading freshman sire Complexity.

The 8-year-old grade 1-winning son of Maclean's Music who stands at Airdrie Stud near Midway, Ky., is off to a scintillating start to his stud career. Through Aug. 5, Complexity leads all North American first-crop sires and all sires of 2-year-olds in earnings (\$874,588), black-type winners (three), and group/graded winners (two). His 13 individual winners are tied with Vekoma, though Complexity has done it with 11 fewer starters (22).

"I think the price is reflective of what the stallion is doing right now, and obviously you have to be thrilled when the market tells you that this horse has a tremendous value right now," said Airdrie Stud's Bret Jones. "To have Scott Heider come on board with this horse is a big-time victory for the Complexity syndicate.

"I know the quality of his program will be an important part of Complexity's future. Scott Heider is exactly the type of breeder and person we want to be associated with, and we couldn't be happier to have him on board."

Heider family principal Scott Heider is from Omaha, Neb., but his stable races in American and Europe, where he has horses with trainer Joseph O'Brien. Lanigan said Complexity's son Black Forza winning the Richmond Stakes (G2) at Goodwood Racecourse in England added to the appeal.

"The 2-year-old race at Goodwood is a very big 2-year-old race," Lanigan said. "The world has become a smaller place, and we have horses on both sides of the Atlantic in training. It's an investment and Mr. Heider felt it was the right thing, and hopefully we'll use (the share) on some of our own mares as well."

MATT WOOLLEY/EQUUSPORT PHOTOS

Complexity at Airdrie Stud

In addition to the Goodwood winner on turf, Complexity's son Mensa won the Victoria Stakes on the all-weather track at Woodbine, and his son Mo Plex won the Sanford Stakes (G3) on the dirt at Saratoga Race Course.

He also had an impressive winner in Japan when Susumu Fujita's Shin Forever, trained by Hideyuki Mori, won on debut Aug. 3 at Niigata going a mile on turf.

"The implications are potentially massive if he can continue on and have that international appeal. The doors that could open is a dream scenario," Jones said. "To have three stakes winners on three different surfaces and good winners in four different countries by this point in his 2-year-old year, that's certainly unprecedented by Airdrie's and almost all standards.

"The hope is that we regret selling the share, and regret it for a long time, because I really do think that Complexity's best days are ahead of him. The best way that we could promote a stallion that we're really proud of is to bring this share to market in front of a crowd as important as the Saratoga yearling crowd. The fact that we've been able to have people talking about what he is doing is invaluable promotion for the horse and our shareholders." **BH**

#### ENTIRE SALE OFFERS OPPORTUNITIES

Over the course of 12 dynamic days, the September Sale offers unparalleled access to a diverse catalog of exceptional prospects.

"Spanning two weeks and six books, the September Sale caters to buyers at every level, offering yearlings that fit various price points in each session," Keeneland vice president of Sales Tony Lacy said. "As the quality of entries continues to rise, so does the competition. Shopping on the grounds from Book 1 to Book 6

provides buyers the chance to find everything on their short lists and more. Last year, we were excited to see prominent buyers signing tickets not only on the first day of the sale but all the way through to the final day."

Another indication of the strong market in later books in 2023 came when the top-priced yearlings of Session 8 and Session 12 each posted record prices for their respective sessions.

Again this year, Books 1 and 2 during the sale's first four days have cataloged more than 1,000 yearlings judged to be the sale's finest individuals based on conformation and on such pedigree factors as family sales history, distaff pedigree, and sire power. This placement enables major domestic and international buyers to inspect the largest number of exceptional horses possible before the "dark day" on Friday, Sept. 13 when no sale will be held.

Ferocious wins his debut at Saratoga Race Course

## \$1.3M COLT UNLEASHES STRONG DEBUT FOR MAGE CONNECTIONS

By Molly Rollins

X @BH\_MRollins

*This column highlights the performances of maidens who have made no more than five starts and who either sold for more than \$500,000 at public auction, have siblings that are graded/group winners, or have dams that are graded/group winners. BloodHorse research shows maiden winners, in particular, who meet these criteria are more likely to go on to be graded stakes winners.*

### SARATOGA RACE COURSE

Mage's victory in the 2023 Kentucky Derby (G1) opened a window of opportunities for Ramiro Restrepo and Gustavo Delgado Jr. The two horsemen made the most of their newfound success Aug. 3 when their \$1.3 million acquisition Ferocious delivered an eye-catching debut win at Saratoga Race Course.

Restrepo and Delgado Jr. had selected Mage out of the Fasig-Tipton Midlantic Sale and raced him in partnership through a memorable campaign that saw the son of Good Magic capture the Derby and earn grade 1 placings in the Florida Derby (G1), Preakness Stakes (G1), and Haskell Stakes (G1) before retiring to Airdrie Stud in Kentucky.

## \$1.3M COLT UNLEASHES STRONG DEBUT FOR MAGE CONNECTIONS

(continued from page 25)

Dreams of Derby roses resurfaced following Ferocious' scintillating 7 3/4-length romp over a distance Delgado claimed was too short for the colt after the race. Ferocious had broken a step tardily but wouldn't miss another beat as he skipped over the slick, sealed track. Tracking the pace under Javier Castellano, the rider of Mage tipped the colt into the clear turning for home and the pair whisked past the front-runner.

Ferocious, whose powerful and deliberate strides produced a [:09 4/5 eighth-mile](#) clocking at the OBS March Sale of Two-Year-Olds in Training under tack show, charged to the wire in 1:09.65 for the six furlongs. His herculean first-time effort resulted in the highest Equibase Speed Figure for any 2-year-old this year—a 102.

"What Javier told me after the race was all positive feedback," Delgado Jr., assistant trainer to his father, Jorge Delgado Sr., told Carlos Morales of Agentes 305 in the Saratoga winner's circle. "Maybe the distance was not ideal for him, and with more distance he will be even better because he will have time to relax."

The Sept. 2 \$300,000 Hopeful Stakes (G1), contested over seven panels at Saratoga, could be an imminent target.

Ferocious hails from the penultimate crop of the late Claiborne stallion Flatter and topped off a fantastic Saturday afternoon for the sire, who was also responsible for Lure Stakes winner Film Star. The second highest-priced horse to come from the ring at OBS March, Ferocious descends from the prominent Juddmonte family of such stakes horses as Obligatory, Etoile Montante, and Country Grammer. **BH**

## WITH ARTHUR'S RIDE, TAPIT PROVES HE IS STILL A FORCE

By Alan Porter

X @pedigreeconsult

If, at the start of the year, one had been drawing up a list of runners that might be headed to the top of the older horse division, it's unlikely that list would have featured Arthur's Ride. Indeed, at that point, the striking 4-year-old gray had started just three times and had not been seen in public for more than 10 months.

That said, Arthur's Ride did make a promising start to his career with seconds in a pair of seven-furlong maiden special weight races at Saratoga Race Course in August and September of his 2-year-old season, on both occasions showing enough speed to take the lead. Arthur's Ride broke his maiden going a mile at 3 in February 2023, but that was the only time he would be seen in public that year, with what was described as "a little bit of a tendon issue," sending him to the sidelines.

It appeared the break had benefited Arthur's Ride when in March he came back to take a one-mile allowance optional claiming test at Gulfstream Park by 7 1/2 lengths, but he then flopped as favorite over a wet track in a similar event on the Kentucky Oaks (G1) undercard. Exactly one month later came a very different performance, as Arthur's Ride dominated a 1 1/4-mile optional claiming/allowance contest at Saratoga from start to finish to score by 12 3/4 lengths despite being confidently handled the last half furlong.

Arthur's Ride after winning the Whitney Stakes at Saratoga Race Course

# PEDIGREE ANALYSIS

WITH ALAN PORTER

## WITH ARTHUR'S RIDE, TAPIT PROVES HE IS STILL A FORCE

*(continued from page 27)*

In the Whitney Stakes (G1) on Saturday, Arthur's Ride produced another powerful front-running effort. He went straight to the head of affairs, opening up by five lengths in the stretch and scoring by 2 1/4 lengths from Crupi (who, incidentally, was third in Arthur's Ride's first two starts).

Last year's Whitney Stakes was won by White Abarrio, a gray grandson of Arthur's Ride's sire, Tapit, and White Abarrio subsequently captured the 2023 Breeders' Cup Classic (G1). Arthur's Ride will likely run in the Jockey Club Cup (G1) next, but at the moment he looms as a major contender for the Classic, especially given that his last two starts have yielded Beyer Speed Figures of 111 and 110, the year's fastest and second fastest (tied with Fierceness) on the dirt.

Tapit's three-season reign as leading sire ended in 2016, and the son of Pulpit is now 23 years old. That said, he is still a force to be reckoned with, and in addition to Arthur's Ride, he's represented by six other stakes winners this year, including Scylla, successful in the Fleur de Lis Stakes (G2) and Shawnee Stakes (G3);

Ohio Derby (G3) captor Batten Down; and Tapit Trice, who impressed in taking the Monmouth Cup (G3) on his belated seasonal debut. All told, Tapit has sired 166 stakes winners, 105 of them graded, and 32 grade 1, headed by the incomparable Flightline, and other champions Essential Quality, Untapable, Stardom Bound, Hansen, and Unique Bella.

There is also plenty of quality on the distaff side of Arthur's Ride's pedigree. His dam, the Point Given mare Points of Grace, took the Dance Smartly Stakes (G2T) and River Memories Stakes, which was enough to earn a title as champion turf mare in Canada in 2009. Points of Grace has been an extremely successful producer, with six winners from seven foals, also including champion Canadian 2-Year-Old filly Victory to Victory, successful in the Natalma Stakes (G1T); the 2023 Ginger Brew Stakes scorer Alittleloveandluck; and the stakes-placed Double Blessed.

Points of Grace is out of the English-raced Fateful, also dam of Fatefully, a dual black-type winner in England, and herself dam of the Nassau Stakes (G1) heroine Favourable Terms, and third dam of three of stakes winners, including Berneuil, twice successful in group sprints in France.

Arthur's Ride's fourth dam, Cast the Die, was one of three stakes-winning siblings by Olden Times, one of the others being Hagley, who took the Withers Stakes and was a successful sire in Maryland. Cast the Die herself won 14 races, five of them black-type, including the Cicada Stakes. Cast the Die went on to produce the Santa Monica Handicap (G1) victress Devil's Orchid and Pimlico Distaff Stakes (G3) winner Double Sixes. The pedigree goes back to Flaming Mask, a daughter of the 1934 Acorn Stakes winner, Fleam, and a three-quarters sister to Omaha, who captured the Triple Crown in 1935, and his brother Flares, winner in England of the Ascot Gold Cup and Champion Stakes.

Arthur's Ride is one of two graded stakes winners from 20 starters by Pulpit and sons out of Point Given mares, and is also one of 20 graded stakes winners by Tapit line stallions with Relaunch in the dam, Relaunch being a brother to Moon Glitter, the third dam of Tapit. **BH**
