F-T MAY SALE POSTS SOLID GAINS DESPITE FORMAT SHAKEUP

By Olivia Newman
@newmanolivia3

In the days and weeks leading up to the Fasig-Tipton Midlantic May 2-Year-Olds in Training Sale, buyers and consignors were anxious about how the new untimed under-tack show would impact prices in the sales ring.

The record-breaking success of 2025 set an exceptionally high bar for this year's event.

At the end of two days of trade, Fasig-Tipton reported 384 horses had changed hands for gross receipts of $52,875,500, including private sales—up 19.3% from 2025's single-session sale that saw 327 horses sell for $44,317,500. The average also ticked up to $137,697 from $135,528, while the median saw a substantial leap from $60,000 last year to $70,000.

Boyd Browning at the Fasig-Tipton Midlantic May Sale

Seventy-three horses failed to meet their reserve, resulting in an RNA rate of 16%.

"Absolutely thrilled with the results. We really hit the superfecta as you've heard me refer to it before—the gross is way up, the average is up, the median is up, and the RNA rate is down—and that's coming off a dramatic increase from 2024 to 2025," said Boyd Browning, president and CEO of Fasig-Tipton.

Boyd said the gross sales have increased 60% from 2024 to 2026.

"More importantly to us is honestly the strength of the market, the acceptance of a change in format," Browning added.

Last year's edition of the sale saw the last day change to a gallop-only session during the under-tack show because of weather conditions.

"Last year, we were forced into a situation in the last part of the sale. We made a conscious decision this year to do what we thought was the right thing for the horse and the right thing for our customers," Browning said

"This company's been founded and has been based upon trying to do the right thing every day, whether it's the horse or for the people we do business with. You can't quantify it, but you try to do what you believe is right."

Browning expressed deep gratitude for the incredible buyer and consignor support.

"I genuinely hope, and I genuinely believe that we're going to see very positive results on the racetrack from this group of sales graduates this year, in terms of soundness, in terms of their starts, and so time will tell," Browning said.

GUN RUNNER FILLY GOES TO LANZ FOR $1.375 MILLION

An athletic, rangy daughter of Gun Runner was the first of two juveniles May 19 to sell for seven figures during Day 2 of the sale, going to bloodstock agent Pedro Lanz for $1.375 million.

Lanz bought the Gun Runner filly for KAS Stables, for whom he also bought a $2.1 million Flightline colt on the sale's opening day. The filly (Hip 357) was bred by Chester and Mary Broman in New York and consigned by Sequel Bloodstock.

The Bromans bred the filly out of the unraced Uncle Mo daughter Modest Maven, who is the dam of graded-placed stakes winner Arctic Arrogance (Frosted).

"Beautiful filly, May foal. She still has time to develop and get bigger and stronger," Lanz said. "Beautiful mare by Uncle Mo. I remember Arctic Arrogance fighting in that Kentucky Derby qualifier in New York (Withers Stakes), and finishing second, a tough race. She has everything you can ask for."

Lanz said the filly will stay in the United States to race under trainer Brad Cox.

"We needed a filly," he said. "I was reviewing the results of the prior sales. This was the first chance at this sale; there was one (Gun Runner) yesterday, but she (Hip 357) was my favorite. So I told them, if you want the best filly, in my opinion, she is the one."

The Gun Runner filly consigned as Hip 357 at the Fasig-Tipton Midlantic 2-Year-Olds in Training Sale

Chester Broman purchased Modest Maven for $1 million from the Pike Racing consignment at the 2016 edition of the Midlantic May sale. Celebrating the sale of Hip 357 brought things full circle, honoring the friendship between the late Al Pike and Sequel's Becky Thomas and Carlos Manresa.

"Linda Rice got that horse (Modest Maven), and that horse had incredible ability," Manresa said. "I think there were several people who saw this filly and saw a lot of the same talent and class that Modest Maven herself had, and I think it was a very good full-circle moment for all of us."

Thomas echoed the sentiments about Al Pike.

"Al Pike was one of my closest friends," she said. "We worked together for many, many years, and he was located at the barn right next to ours, so that's why it was so special.

"His son, Colt, has shortlisted for us for many years, and we're glad to have that part of him. Colt was very instrumental in Al's operation."

FASIG-TIPTON PHOTO

Sequel has had a terrific sale, selling the highest-priced colt and filly of the sale. Thomas said the new format changes implemented by Fasig-Tipton have only helped her consignment's success.

"We have been thrilled (with the new format)," she said. "We had a horse that chipped a knee last year, and he was our big horse. He was literally a $1 million Uncle Mo, and we loved him. If we'd have had him on the gallop day, that would not have happened. So, we are big fans of the format, and at all times we were going to come here with what I call farm breezes, which is letting those horses roll."

Thomas said the new format did present some challenges, as her horses are used to training on a 1-mile track.

"We're breezing here around the dogs (cones), there's a lot of horses that hit the wrong lead, and because it's such a sharp turnaround to be able to go, you're not only on the wrong lead, then they're like, 'Well, do I switch now or do I not switch?' So you have to account for the fact that going around the dogs like that, especially horses that aren't used to that.

"But, overall, we are thrilled with the new format." BH

ACKERLEY GOES TO $1M FOR CORNICHE COLT AT F-T MAY SALE

By Olivia Newman
@newmanolivia3

Susan Montayne, bidding on behalf of Lee Ackerley, prevailed in a protracted bidding battle that unfolded for Hip 473, a handsome bay colt by freshman sire Corniche, who eventually exited the ring as the day's second seven-figure sale. Montayne signed the ticket for $1 million.

Buyers attending Day 2 of the Fasig-Tipton Midlantic May 2-Year-Olds in Training Sale May 19, could not walk away from the colt consigned by De Meric Sales as they traded $25,000 blows from $500,000 all the way to $1 million.

Montayne was on the phone with trainer Steve Asmussen, who kept giving her the OK to keep bidding.

"He (Steve) watched the breeze. He saw the horse and picked the horse out for Mr. (Lee) Ackerley. He went back to the track today and called and asked if I would bid on the horse on behalf of both of them."

Ackerley races Chip Honcho with Asmussen. The colt by Connect recently finished third in the Preakness Stakes (G1).

The Corniche colt consigned as Hip 473 in the ring at the Fasig-Tipton Midlantic May 2-Year-Olds in Training Sale

The colt was purchased as a yearling for $270,000 by De Meric Sales at the 2025 Keeneland September Yearling Sale. Hip 473 was bred by Nursery Place, Broadbent & Wilhite out of the stakes-placed winner Secret Union (Dixie Union), who has already produced stakes-placed winner Longclaw (Kitten's Joy).

"He was always a very good mover. He was a very athletic, balanced horse," said Tristan de Meric of De Meric Sales. "He just continued to improve. He was bred by Nursery Place, John Mayer in Kentucky, and every horse we've ever got from them has been a quality horse. They really raise them right, and we were happy to get this guy, and he definitely lived up to expectations."

De Meric said the colt was very well-received on the sales grounds, attracting a lot of looks from potential buyers.

"It was a great result, and he's a beautiful horse. We had a lot of people here on the sales grounds who were very high on him, and we're just happy that it all lined up, and everything went as well as it did."

De Meric said that the Corniche colt was originally slated to sell at the Ocala Breeders' Sales March 2-Year-Olds in Training Sale, but stayed on his left lead during his work, breezing a furlong in :10 1/5.

"He didn't have his best day. He worked :10 1/5, but it just wasn't quite enough to grab the attention in March," he said. "He's a May foal. He's improved a lot in the last 60 days. He was always nice, but 60 days is a lot for any 2-year-old in the spring, and from March to May, they all change so much, these babies, and he just blossomed. He kept getting better."

When asked about the new format changes implemented by Fasig-Tipton, De Meric said, "I'm fine with the new format. I think we need to be prepared and adjust to it. It is an adjustment; we all have to learn, we have to be kind of light on our feet, and adjust as needed, but it's all gone well for the most part.

"There's been a couple of horses that maybe, you know, could've done a bit better if they were able to have a published time but, for the most part, I think the horses have been just as well-received off of what they've done here, and they've sold very well." BH

CLAY BUYS PAIR OF CLASSY COLTS FOR WATHNAN RACING

By Olivia Newman
𝕏 @newmanolivia3

In the closing stages of the Fasig-Tipton Midlantic May 2-Year-Olds in Training Sale's final session May 19, Case Clay snapped up two colts for $750,000 apiece: Hip 581 by Jackie's Warrior and Hip 583 by Into Mischief on behalf of Wathnan Racing.

Clay, the racing manager in the United States for Wathnan Racing, which is a Thoroughbred racing group for Tamim bin Hamad Al Thani, Emir of Qatar, said he was seeking two-turn dirt colts and fillies.

Hip 581 is out of the stakes-placed Pure Prize mare Vagabond Princess and was bred in Kentucky by Barry Fowler, Mark Taylor, Brad McNulty, William Sparks, and Kathy Houlihan.

"I fell in love with him physically when I saw him," Clay said. "His preview video was great. It's nice to be able to see them going over the dirt."

FASIG-TIPTON PHOTO

The Into Mischief colt consigned as Hip 583 in the ring at the Fasig-Tipton Midlantic May Sale

Just two hips later, Clay secured Hip 583, a son of perennial leading sire Into Mischief out of the graded stakes-winning mare Verdana Bold. She is the dam of two stakes winners, including the multiple stakes-winning and graded stakes-placed Into Mischief mare Lucrezia, who has most recently been recognized as the dam of the Flightline colt who sold for $10.5 million to Zedan Racing Stables at the Ocala Breeders' Sales Spring 2-Year-Olds in Training Sale.

"We bought a 2-year-old out of Ghalia in the same family, so we like the family obviously, and really like the individual," Clay said. "What grabbed me the most about him was the preview video, the rider just sat still on him, and Lucan (Bloodstock) does an outstanding job of selling horses and horses going to the races. He has great results."

Last year, Clay bought a Not This Time colt out of Hip 583's half sister Ghalia (Medaglia d'Oro) for $700,000 at the Keeneland September Yearling Sale.

Clay was the leading buyer of the Midlantic May sale, purchasing 12 head for a total of $5,545,000.

Among his other purchases was Hip 162, a colt by Nyquist, whom he bought for $700,000. The Ontario-bred colt is a half brother to the multiple graded stakes-placed filly Luv Your Neighbor. The highest-priced filly Clay purchased was Hip 132, a daughter of Constitution. Hip 132 is out of the stakes-winning Medaglia d'Oro mare Contributing.

CHANGE IS GOOD

Clay said he liked the new format changes Fasig-Tipton implemented for this year's sale.

"It was an enjoyable experience going through these horses and trying to pick out ones we thought were good athletes going over the dirt," Clay said.

"It changes the strategy a little bit, because it's an unofficial timed breeze show. So, it changes the strategy a little bit, but not in a bad way. There were quite a few good pedigrees in this catalog, so that made the list a little bit bigger to start with." BH

NAPOLEON SOLO UP TO THIRD IN NTRA TOP 3-YEAR-OID POLL

By Byron King
@BH_Bking

Following his victory in the May 16 Preakness Stakes (G1), Gold Square's Napoleon Solo rose from 10th to third place in the National Thoroughbred Racing Association's Top 3-Year-old Poll released May 19.

The Chad Summers trainee trails the 1-2 finishers from the Kentucky Derby (G1)—top-ranked Golden Tempo and second-place Renegade—neither of whom competed at Laurel Park in the Preakness, the second leg of the Triple Crown. Golden Tempo and Renegade are awaiting planned starts at Saratoga Race Course in the June 6 Belmont Stakes (G1), the third and final leg of the Triple Crown.

Preakness runner-up Iron Honor is also in the top 10 after Week 17 of the poll, landing in ninth place. He had been 19th a week earlier. The poll covers racing performances through May 17 and represents horses competing up to and through the Triple Crown.

The accompanying Top Thoroughbred Poll—which isn't limited to 3-year-olds and is meant to mirror the leading competition for Horse of the Year while running through the conclusion of the Breeders' Cup in the fall—has one new top 10 addition this week: Burnham Square, who went from 12th to eighth after romping in Saturday evening's Louisville Stakes (G3T) at Churchill Downs.

Magnitude, White Abarrio, and Sovereignty are 1-2-3 in the NTRA Top Thoroughbred Poll. All three could meet next in the $1 million Stephen Foster Stakes (G1) June 27 at Churchill Downs.

Full results for both media polls are available online. BH

ROYAL ASCOT NEXT ON CY FAIR'S AGENDA

By Lizzy Madden

@BH_EMadden

Cy Fair, the 2025 Breeders' Cup Juvenile Turf Sprint (G1T) winner for owners Medallion Racing, Swinbank Stables, Joey Platts, and Mark Stanton, is scheduled to race next in the June 16 King Charles III Stakes (G1) during the Royal Ascot meet in England. The 5-furlong dash is an open race that offers an automatic berth into the Breeders' Cup Turf Sprint (G1T) this fall at Keeneland.

Trained by George Weaver, the 3-year-old daughter of Not This Time was third in her first start of the year in the April 10 Limestone Stakes (G3T) at Keeneland, before getting her first win of the year just 20 days later in the April 30 Mamzelle Stakes (G3T) at Churchill Downs. As a 2-year-old, she won the Algonquin Stakes at Woodbine before her Breeders' Cup Juvenile Turf Sprint (G1) victory at Del Mar.

The Royal Ascot news was shared on X by Jake Ballis of Black Type Thoroughbreds, a group involved with the ownership partners. According to Ballis, Cy Fair will ship to Saratoga Race Course to train for Royal Ascot.

Weaver's previous success at the Royal Ascot meet came with Crimson Advocate, who won the 2023 Queen Mary Stakes (G2). The daughter of Nyquist was partially owned by Swinbank Stables and Black Type Thoroughbreds. Medallion Racing found the winner's circle at Ascot Racecourse twice with the Donnacha O'Brien-trained Porta Fortuna, who won the 2023 Albany Stakes (G3) and the 2024 Coronation Stakes (G1). After other starts during her 2-year-old campaign, she came stateside and finished second in the 2023 Breeders' Cup Juvenile Fillies Turf (G1T). BH

MOVIE NIGHT BREAKS HER MAIDEN IN RUNAWAY VICTORY

By Lizzy Madden

@BH_EMadden

Movie Night broke her maiden May 16 with a clear victory at Churchill Downs.

The 3-year-old daughter of the late Speightstown broke sharply and tracked the pace set by Epic Proud Mary, who posted fractions of :21.95 and :44.91. Down the backstretch, the Will Walden trainee continued to race well in hand under jockey Luan Machado and she made her move for the lead as the field rounded the turn for home. Movie Night hit the stretch a length in front of her competition, and continued to have it her way during the stretch drive, opening up on her rivals. She took the 6-furlong race on the sloppy (sealed) surface by 8 lengths in a final time of 1:09.50. As the post-time favorite, she paid $3.52 for a $2 wager. In her second career start, she earned a 99 Equibase Speed Figure and an 84 Beyer Speed Figure.

COADY MEDIA

Movie Night breaks her maiden at Churchill Downs

A homebred for WinStar Farm, Movie Night is out of the Medaglia d'Oro mare Savvy Star, who is the dam of three winners. Her most notable progeny is Stellify, a daughter of Justify, who earned more than $1.4 million on the track and scored in the 2025 Ladies Marathon Invitational Stakes (G3T) at Kentucky Downs.

SECOND TIME'S A CHARM FOR SILVER TALENT

Silver Talent broke his maiden in a 1-mile dirt race May 14 at Aqueduct Racetrack.

Under jockey Flavien Prat, the 3-year-old son of Constitution rated off the pace after the break behind the leader Chili Palmer, who set fractions of :23.13, :46.48, and 1:11.35. The Chad Brown trainee continued to stalk the pace down the backstretch and moved outside the leaders on the turn for home. As the field hit the top of the stretch, Silver Talent was a head in front, and he continued under a drive to pull away and score by 3 3/4 lengths. He completed the race in a final time of 1:36.17 and paid $3.44 for the win as the post-time favorite. He earned an 88 ESF and an 83 Beyer for his victory.

The Juddmonte homebred is out of the grade 1-winning mare Paulassilverlining, who was campaigned for the last year of her racing career by Brown and Juddmonte. Her most notable victories came in the 2017 Distaff Stakes (G1) at Churchill Downs and the 2017 Madison Stakes (G1) at Keeneland. In the 2016 Breeders' Cup Filly and Mare Sprint (G1) at Santa Anita Park, she finished third. Paulassilverlining is the dam of one other winner on the track, Artorius, who won the 2022 Curlin Stakes at Saratoga Race Course. BH

TAKING STOCK OF LEADING THIRD-CROP SIRES

By Alan Porter
@pedigreeconsult

The Kentucky Derby (G1) and Preakness Stakes (G1), along with their distaff equivalents, the Kentucky Oaks (G1) and George E. Mitchell Black-Eyed Susan Stakes (G2), were all captured by the offspring of established sires. The two weekends, however, were also notable for the success of younger stallions, with the third-crop sires making a particularly strong impact.

Unfortunately, the standout of the crop on the Black-Eyed Susan/Preakness cards, Preservationist, is no longer with us. He moved from Airdrie Stud near Midway, Ky., to South Korea in 2024 and subsequently died of colic while in that country. He struck twice at the Preakness meet with a pair of new graded stakes scorers: Peach Tie, who took the Miss Preakness Stakes (G3) on Black-Eyed Susan Day May 15, and Bring the Smoke, who added the Maryland Sprint Stakes (G3) the following day. A son of Arch, and thus representing one of the last opportunities to continue the Roberto line in North America, Preservationist did not win a black-type event until age 6, when he captured the 2019 Woodward Stakes (G1) and Suburban Stakes (G2). As a result, he was never likely to be a highly commercial prospect, and after siring 83 foals in his first year at stud, his second and third crops numbered just 27 and 29, respectively. From a total of 139 foals in his first three crops, 99 have started, with nine winning black-type events. These include Antiquarian, who has the 2025 Jockey Club Gold Cup Stakes (G1) among his trio of graded successes, and 2025 West Virginia Derby (G3) scorer Chunk of Gold.

The horse currently heading the table, Vekoma (Candy Ride), has been the dominant force in this group from the outset, leading both the first- and second-crop sire lists. He did not add to his stakes tally over the classic weekends, but had already done enough through the first quarter of 2026 to establish a lead over his pursuers, which he still narrowly maintains. He has six stakes winners this year, headed by Mad House (inbred 3x3 to Vekoma's broodmare sire Speightstown), winner of the Count Fleet Sprint Handicap (G3). Overall, Vekoma now has 22 stakes winners—16 from his first crop—and eight graded scorers. Equally notable is the fact that he already has 46 black-type horses, representing 20% of his starters.

Bring the Smoke wins the Maryland Sprint Stakes at Laurel Park

It is early, but the cross of Vekoma with A.P. Indy-line mares is showing promise, with two stakes winners, including graded scorer Praying, out of mares by Bernardini. There are also stakes winners from daughters of Stevie Wonderboy, Dance With Ravens, and Tapizar. Over Storm Cat-line mares, there are stakes winners out of daughters of Creative Cause, Stormy Atlantic, Tale of the Cat, and Wildcat Heir, as well as a pair of stakes winners out of Indian Charlie mares. Notably, Five G, like Mad House, is out of a mare from Vekoma's own broodmare sire line, Gone West, in this case through Quality Road.

Margie's Intention wins the Allaire DuPont Distaff Stakes at Laurel Park

A very close second to Vekoma is Tiz the Law (Constitution), whose daughter Dixie Law took the Ruling Angel Stakes at Woodbine on Preakness day. Like Vekoma, he has six stakes winners from his Northern Hemisphere crops this year, and his lifetime total stands at 15, nine of them graded. Interestingly, he has the 2025 La Brea Stakes (G1) heroine Usha out of a mare by Leroidesanimaux, and 2025 Mother Goose Stakes (G2) scorer Fully Subscribed out of a daughter of Candy Ride, whose dam is by Leroidesanimaux's sire, Candy Stripes. Candy Ride is a Fappiano-line stallion, and from the Empire Maker branch, Tiz the Law's graded winner Scythian is out of a mare by Empire Maker himself; stakes winner Eunomia is out of a mare by Empire Maker's grandson, American Pharoah; and stakes winner Spirit Doll is out of a mare by Cairo Prince, also from this branch. The previously mentioned Dixie Law, a graded winner last year, is out of a mare by Union Rags, while graded winner Silent Law is out of a mare by Union Rags' sire, Dixie Union. Father-and-son duo Harlan's Holiday and Into Mischief are broodmare sires of stakes winner Wayne's Law and graded scorer Tiz Dashing, while Street Cry and Street Sense fill the same roles for stakes winner Out On Bail and graded winner Non Compliant. Finally, there is the unusual pedigree of Louisiana Derby (G2) winner Tiztastic, who is out of a mare by Tiz the Law's paternal grandsire, Tapit.

Volatile (Violence) was represented by one of the stars of Kentucky Derby Day in the Japanese-trained T O Elvis, a dominant winner of the Churchill Downs Stakes (G1). Volatile has eight other stakes winners, three of them graded. T O Elvis is out of a mare by Curlin, and there are also three Volatile stakes winners out of A.P. Indy-line mares (from daughters of Corinthian, Algorithms, and Malibu Moon), and two out of mares by Storm Cat sons (Consolidator and Bluegrass Cat). Stakes winner Reliable Source is out of a mare by Broken Vow, who, like Volatile's broodmare sire Unbridled's Song, is a son of Unbridled. John Battaglia Memorial Stakes scorer Great White, who would have been a Kentucky Derby participant but for flipping in the gate, is out of a mare by Uncle Mo.

Honor A. P. (Honor Code) made an impact on both classic weekends. His daughter Counting Stars, winner of the Fantasy Stakes (G2) earlier in the year, finished third in the Kentucky Oaks. Another daughter, Margie's Intention—successful in last year's Black-Eyed Susan Stakes—returned to Maryland to capture the Allaire DuPont Distaff Stakes, while A. P.'s Girl finished third in this year's Black-Eyed Susan. In addition, he has six other black-type winners. The most obvious trend is a cross with a variety of Storm Cat-line mares, with Margie's Intention out of a mare by Into Mischief, and other stakes winners out of daughters of Bluegrass Cat and Scat Daddy. Counting Stars is out of a mare by Paynter, and there are additional stakes winners out of mares by Curlin, Not For Love, War Front, and Unusual Heat.

(continued from page 26)

2020 Horse of the Year Authentic (Into Mischief) struck on Black-Eyed Susan day through the Hilltop Stakes winner Coach Mazzula. Overall, Authentic has nine stakes winners, headed by last year's Frizette Stakes (G1) winner Iron Orchard (out of a mare by Brethren, representing a version of the Into Mischief/Distorted Humor cross), along with Rodriguez, winner of the 2025 Wood Memorial Stakes (G2); Westwood, successful in the San Pasqual Stakes (G2); and Brave Deb, who took the 2025 Surfer Girl Stakes (G3T).

McKinzie (Street Sense) has nine stakes winners to date, eight from a very strong first crop. That group is headed by Chancer McPatrick (dam by Bernardini), winner of the 2024 Champagne Stakes (G1) and Hopeful Stakes (G1) at 2; Scottish Lassie (out of a mare by Bodemeister), successful in the 2024 Frizette Stakes (G1) and 2025 Coaching Club American Oaks Invitational Stakes (G1); and 2025 Pennsylvania Derby (G1) scorer Baeza (out of a mare by Big Brown).

Bust Out wins the Cinema Stakes at Santa Anita Park

Instagrand (Into Mischief) has risen as high as fourth by number of winners among this group in 2026. Having stood at modest stud fees, it is perhaps not surprising that he does not yet have a graded scorer, but he does have five stakes winners to his credit.

Another who scored on a classic weekend was Complexity (Maclean's Music), who was represented by Bust Out, successful in the Cinema Stakes the day following the Preakness Stakes. Starting at a fee of just $12,500, Complexity opened with a first crop that included 10 stakes winners, among them Black Forza, winner of the 2024 Richmond Stakes (G2) in England at 2; Mo Plex, whose four black-type victories include the 2024 Sanford Stakes (G3) and 2025 Ohio Derby (G3); and Innovative, who took the 2025 John C. Harris Stakes (G3T). Bust Out is the third stakes winner from Complexity's second crop, which is led by Intricate Spirit, winner of the 2025 Futurity Stakes (G3T).

Standing at just $4,000 in Louisiana, Aurelius Maximus is the breakout regional sire from this group. He never took a black-type event, but did win three of eight starts and finished second in the 2020 Fayette Stakes (G2). He is by Pioneerof the Nile out of graded scorer La Reina, a daughter of A.P. Indy out of 1991 champion older mare Queena. He had a runner in the Black-Eyed Susan Stakes, but his multiple stakes-winning daughter Braken Poppa was compromised by a stumbling start and a wide trip. Braken Poppa is one of seven stakes winners to date for her sire, from a total of just 59 starters.

Now standing in Canada, Sergei Prokofiev (Scat Daddy) began his stud career in England and was champion first- and second-crop sire in the United Kingdom and Europe. His son Song of The Clyde struck on Preakness day—albeit in Europe—taking a first black-type victory in the Carnarvon Stakes. Sergei Prokofiev has four other stakes winners, headed by Arizona Blaze, a four-time group winner including the 2025 Flying Five Stakes (G1), and Mhally, winner of the Custodian of the Two Holy Mosques Cup (G3).
